## **RESOLUTION SUMMARY:**

### **Pecan Villa Senior Housing**

### **Project Number 2013-44**

### **Ruston, Louisiana**

#### **OVERVIEW**

The developer of Pecan Villa Senior Housing is requesting approval of a material change to the project involving an increase in the project's unit size. The project was awarded \$594,575.00 in LIHTC from the 2013 housing credit ceiling. Approving the aforementioned requests will allow the construction of the project with larger units at lower development costs.

During the final architectural review it was determined that taking the majority of the building down to the slab would allow an increase in the unit size and increase in handicap accessibility for the tenants without increasing the project's development costs. Attached is correspondence from the project's architect describing the changes to the project necessary for the substantial rehabilitation. The aforementioned changes to the project will not cause a delay greater than ninety (90) days in the initial project schedule.

The project received selection criteria points for being a rehabilitation project. Staff has received confirmation from the project's architect and tax credit counsel that the deconstruction of the project is within the classification of a substantial rehabilitation thereby maintaining the project's eligibility for the previously allowed rehabilitation related selection criteria points.

The 2013 Qualified Allocation Plan (QAP) identifies a material change as "Changes in the residential unit design that increases or decreases by 10% or greater the number of units, unit mix, square footage of each unit, etc." The square footage of the units will increase from 483 to 540 square feet, constituting a 10.55% increase in the square footage of the units.

#### **STAFF RECOMMENDATION:**

Staff recommends approval of the increase in the square footage of the project's units. This recommendation is based upon review of documentation provided by the developer.

#### **PROJECT DEVELOPMENT SUMMARY:**

Pecan Villa Apartments is located at 611 S. Bonner Street in Ruston, Lincoln Parish, Louisiana. The project is an elderly rehabilitation project initially constructed in 1983 under the HUD Section 202 Program. The property receives a project based rental subsidy for all residential units in the form of a Housing Assistance (HAP) Contract. HUD has been notified of the changes and the 20 year HAP package has been submitted to extend the subsidy. The developer is expecting approval of the contract within the next 60-90 days.

The unit mix consists of sixty (60) one-bedroom units and one (1) two-bedroom unit. One unit is provided as a non-rent producing manager unit. The set aside for tenants is three (3) units at less than or equal to 20% AMI, six (6) units between 20%- 30% AMI, fifty-one (51) units between 50%-60% AMI and one (1) unit between 60%-80%AMI (manager's unit). Residents will pay no more than 30% of their income towards rent and utilities.

Project amenities includes community facilities, and disposals maintained in each unit. The project will meet all energy efficiency requirements and requirements for Green Buildings.

### **DEVELOPMENT GROUP AND FINANCIAL PARTNERS**

The taxpayer representative at the Board of Directors meeting for the project is Vice President of Construction, Christine Nocar and Foley Design Associates Architects, Inc, architect Bill Foley. Attached is a list of the developers experience with the development of affordable housing projects.

### **RESOLUTION**

**A resolution approving an increase in the square footage of the project's units for Pecan Villa Senior Housing (611 S. Bonner Street, Ruston, Lincoln Parish, Louisiana) authorizing the Corporation staff and counsel to prepare the forms of such documents and agreements as may be necessary; and providing for other matters in connection therewith.**

**WHEREAS**, the Louisiana Housing Corporation (the "Corporation") has been ordered and directed to act on behalf of the State of Louisiana (the "State") in allocating and administering programs and/or resources made available pursuant to the Section 42 of the Internal Revenue Code (the LIHTC Program):

**WHEREAS**, the taxpayer for Pecan Villa Senior Housing located at 611 S. Bonner Street in Ruston, Louisiana has submitted a request to increase the square footage of the units from 483 square feet to 540 square feet as a result of substantial rehabilitation to the project; and

**WHEREAS**, changes in residential unit design that increases or decreases by 10% or greater the number of units, unit mix, square footage of each unit, etc. are identified as material changes by the 2013 Qualified Allocation Plan; and

**WHEREAS**, the staff of the Corporation has processed the request for Pecan Villa Senior Housing in accordance with the Qualified Allocation Plan and is prepared, based upon the review of the request and support documentation, to recommend approval of the request to increase the square footage of the units from 483 square feet to 540 square feet:

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of the Louisiana Housing Corporation, that:

**SECTION 1.** Pecan Villa Senior Housing's (the "Project") request to increase the square footage of the units is hereby approved.

**SECTION 2.** The staff and counsel are authorized and directed to prepare the forms of such documents and agreements as may be necessary to implement the Board's action.

**SECTION 3.** The Chairman, Interim Executive Director of the Corporation, and/or Secretary of the Corporation be and they are hereby authorized, empowered and directed to execute

any forms and/or documents required to be executed on behalf of and in the name of the Corporation, the terms of which are to be consistent with the provisions of this resolution as approved by counsel and LIHTC Program Counsel, Foley & Judell, L.L.P.

**Re: Pecan Villa Renovations  
Ruston, Louisiana**

Dear Christine:

Pursuant to our discussions regarding the classification of the project as a Sub-Rehab project we offer the following:

It should first be considered that the existing units do not comply with the most current requirements for handicapped accessibility, and the size of the units need to be increased to provide adequate living spaces, closets, bathrooms, and kitchen areas while being brought up to current codes. Existing plumbing, mechanical systems, electrical systems, lighting, and windows require replacement, the roofing requires replacement, and the insulation values of the walls and roof do not allow the building to meet current energy codes. The existing units are housed in 5 distinctive buildings, connected with ramps between each building, which compounds the renovation to provide the units without the ramps connecting all the resident units to the common amenity areas.

What we have developed is the most cost effective way to Rehab the project. For the site, we are utilizing existing parking, entries, landscaping, and roads, enhancing the existing with additional landscaping, fencing, lighting, and exterior gathering areas, while leaving the existing building footprints and foundations. For the common areas building (which represents approximately 35% of the existing buildings area), we are gutting the existing building and refitting and refinishing the interior of both floors. For the 4 unit buildings (2 level wings connected with ramps) we found the best economy was stripping the wings down to the existing slabs, utilizing the existing utility connections and site connections and re-framing over that with correctly sized units which will provide two, 2 level wings, one of which is on grade with the existing common area, eliminating the need for ramping. Effectively, the only difference between this approach and gutting the wings is the framing of the exterior walls and roof, since the interior walls would have to be reconfigured and the roof decking would have to be replaced. In the final analysis, leaving the existing framing would cost more to construct, take more time and would potentially be of less quality depending on how extensive the wear is in the existing structure once we open the walls up.

**Letter to Christine Nocar**

**April 24, 2013**

**Page 2**

The above describes what must be done to Substantially Rehabilitate this project. This will mean the resident units will need to be demolished down to the foundations and rebuilt. Although the new resident wings will be constructed new from foundations up it should still be considered as a Sub-Rehab project because of the nature of the work to be done as outlined above. It would not be economically and timely feasible to do otherwise.

Should you have any questions regarding the above please contact us.

Yours truly,

RE: Pecan Villa – FHA No. 064 -98025; Contract No. LA48T811008  
LIHTC Application

Dear Mr. Hutchison,

We have been notified by a representative of National Church Residences that they intend to submit an application to your agency for Low Income Housing Tax Credits (LIHTC) in order to acquire and substantially rehab the subject property. This property is currently insured by HUD under Section 542 (c) HFA Risk refinance and is a 61 unit elderly project located in Ruston, LA. The property is fully assisted under a Section 8 contract as noted above.

We understand that Louisiana Housing Corporation, under its 2012/2013 Qualified Allocation Plan, specifies that one, two and three bedroom units receiving LIHTC have no fewer than the minimum square footage by type and size specified for the unit's size. Given that units at Pecan Villa do not meet this standard, we request Louisiana Housing Corporation waive this provision for the application in consideration for the significant resources an award of LIHTC would bring to preservation efforts for this property.

The current owner receives federal funding through a five-year HAP Contract, effective that expires July 31, 2013. In accordance with the 2012/2013 Qualified Allocation Plan, we are sending this letter to advise the Louisiana Housing Corporation that HUD has no objections to the reservation of tax credits to the project; and, should the LIHTC application be awarded to the project, HUD will grant approval to extend the current contract for a total of 20 years.

If you have any questions about these issues, please contact Dianne Smith at 318-226-7038 or [dianne.a.smith@hud.gov](mailto:dianne.a.smith@hud.gov).

Sincerely,

## **RESOLUTION SUMMARY:**

**Jaguar Plaza**

**Project Number 1112-90**

**Baton Rouge, Louisiana**

### **OVERVIEW**

The developer of the Jaguar Plaza is requesting approval of a material changes to the project involving an extension to the project's schedule, changes to the projects sources and uses, and approval of a request (attached) for return/reallocation of Low Income Housing Tax Credits (LIHTC). The project was awarded \$36,058.00 in LIHTC from the 2011 housing credit ceiling and \$960,600.00 in LIHTC from the 2012 housing credit ceiling. Approving the aforementioned requests will allow the rehabilitation of the project. Disapproving the request may result in the project being unable to move forward and the potential recapture of credits previously allocated to the project.

The project has experienced delays in its project schedule due to the discovery of extensive asbestos related damage to the building's roof and the drywall in the project. A complete re-pricing of the project's construction costs has been prepared based on an asbestos abatement plan. Updated construction costs of the rehabilitation were included in the reprocessing application. Changes in the projects costs results in changes to the project's sources and uses greater than 10% triggering a material change.

The project's investors are requesting a return in the credits from the 2011 and 2012 credit ceilings for a reallocation of credits from the 2013 credit ceiling. The current 2011 credits require the project to place in service by December 31, 2013. Due to the previously mentioned delays, the developer expects that the project to be completed by August 1, 2014

The 2011/2012 Qualified Allocation Plan (QAP) identifies a material change as delays in a project's schedule or benchmark dates in excess of 180 days, a change in the project's sources greater than 10% and any change that a reasonable man would determine to be a material change in the project. The QAP further states that "any change caused by a force majeure or circumstances beyond the control of the owner will not be a material change".

### **STAFF RECOMMENDATION:**

Staff recommends approval of the extension to the project schedule greater than 180 days, changes to the projects sources and uses greater than 10%, and approval of the request for a return/reallocation of tax credits. This recommendation is based upon review of documentation provided by the developer. The review of the requests was done in accordance with the Return/Reallocation Protocol approved at the April 2013 board meeting.

**PROJECT DEVELOPMENT SUMMARY:**

Jaguar Plaza is a rehabilitation project located at 750 Harding Boulevard, Baton Rouge, East Baton Rouge Parish, Louisiana near the entrance of Southern University. The project was awarded \$996,658 in LIHTC in December 2011 from the 2011/2012 Funding Round. The taxpayer/owner has spent approximately \$ 553,526.80 to date in project related costs.

The project will consist of 95 rehabilitated units. Project amenities include a community facility, refrigerator, range, dishwasher and disposal. The project will meet all energy efficiency requirements and requirements for Green Buildings

The unit mix consists of forty-eight (48) one-bedroom units and forty-seven (47) two-bedroom units. Ten (10) units will be set-aside for tenants with incomes between 20%-30% AMI and eighty-five (85) units will be set-aside for tenants with incomes between 50%-60% AMI.

The units have an average square footage of approximately :

Typical One Bedroom: 700 S.F. Gross

Typical Two Bedroom: 940 S.F. Gross

**DEVELOPMENT GROUP AND FINANCIAL PARTNERS**

The taxpayer representative at the Board of Directors meeting for the project is Pamela Hammond; Elkins, P.L.C., and Tim Smith (consultant from Hoke Development Services).

The developer, Artisan American Corp., has over 20 years of multifamily development experience. And has developed over 1,500 units of Low-Income Housing Tax Credit housing.

Re: Jaguar Plaza (#1112-90)  
2011/12 Credit Ceiling

Dear Ms. Evans:

I'm writing on behalf of Artisan American JPA Manager, LLC, the General Partner of Artisan American JPA, LP, a Louisiana limited partnership (the "Partnership") that is developing and rehabilitating Jaguar Plaza Apartments into an affordable multifamily rental development (the "Project"). The Project was reserved an aggregate of \$996,658 of low-income housing tax credits (the "Credits") from the 2011/2012 LIHTC Credit Ceiling, with \$960,600 of that amount, or 96.4% of the total being from the 2012 Credit Ceiling, and \$36,058 or 3.6% being from the 2011 Credit Ceiling. The Project consists of one building, and is a rehabilitation project, and has received a carryover allocation for the 2011 Credits and the 2012 Credits.

Because of events outside of the Partnership's control, an issue has arisen that presents a threat to the Partnership being able to "qualify" all of the Project's 95 units as tax credit units by the end of 2014 and meet the statutorily required deadline for satisfying the "qualification" requirement, as is required by §11701(a)(5) of the Omnibus Reconciliation Act of 1990 ("OBRA 90"). Simply put, because a small amount of the Credits awarded to the Project are 2011 Credits, the building must be placed in service by the end of 2013, and §11701(a)(5) of OBRA 90 requires that the set-aside test must be

Brenda Evans, Housing Program Administrator

satisfied by the end of the first year after the year the property is placed in service. As the Project is to be 100% tax credit units, the Partnership would have to be able to lease all 95 of the rental units to qualified tenants by the end of 2014, in order for all of the 95 rental units to be treated as tax credit units.

While the Partnership does not expect to have a problem in placing the building in service by the end of 2013 (it is a rehabilitation project with placement in service criteria different from new construction), the “qualification” issue is of great concern to the Project’s Investor Limited Partner. Because the Project is of such importance to Southern University and the revitalization of the area near its campus, the Partnership is requesting that Louisiana Housing Corporation (the “Agency”) allow the Partnership to voluntarily return the \$36,058 2011 Credits, and have them issued as 2012 Credits.

The Project is located just outside the gates of Southern University in Baton Rouge, and is located in a Qualified Census Tract, the development of which contributes to an approved concerted community revitalization plan. The Project is also located in a HUBZone, and received additional points in the 2011/2012 credit round for its “superior design”.

The Investor Limited Partner in the Partnership is an affiliate of Affordable Housing Partners, Inc., part of the Berkshire Hathaway Group of companies, and Stearns Bank is providing the construction and permanent loans, and the financial closing for the debt and equity for the Project was originally scheduled to take place in late December of 2012. Although the Partnership had satisfied all of the Agency’s environmental requirements in connection with the application for the Credits, the Investor Limited Partner, in late November, decided to order additional environmental tests, including a new Phase I Environmental Site Assessment, a Limited Site Investigation, an Asbestos Survey and Lead-Based Paint Survey. The results of the additional testing has caused a delay in the closing and start of construction. The additional environmental testing revealed that not only was there more asbestos in the roof of the Project than initially thought, but that the drywall in the Project also contained asbestos. This has necessitated the environmental consultants formulating an abatement plan and a complete re-pricing of the construction costs. The construction of the Project is being rebid, and new estimates for the construction costs of the rehabilitation, including the abatement of the asbestos, are currently being prepared for the Project.

Although the Partnership is confident that the Project can proceed in a timely fashion, it is important that the Investor Limited Partner be made comfortable on the ability of the Partnership to qualify all 95 of the units as tax credit units, with the eligible costs of all 95 units supporting the Credits awarded to the Project. Being able to place the project in service in 2014 and meet the qualification requirements in 2015 would solve this problem. For this reason, the Partnership is requesting that the 3.6% of the aggregate Credits allocated to the Project that are 2011 Credits be voluntarily returned, for 2012 credits.

We greatly appreciate your help in this matter, and feel that the Project is vitally important to the efforts being made to revitalize the area around Southern University. I hope that you will call me if you have any questions.

Very truly yours,

Dear Ms. Evans:

I am writing to express my enthusiastic support for the rehabilitation of the Jaguar Plaza Apartments into an affordable multifamily rental development (the "Project") by Artisan American JPA, LP, a Louisiana limited partnership (the "Partnership"). Because the Project is located at the entrance to Southern University, the success of the Project is a matter of great concern to the University.

The rehabilitation of the building would be a great benefit to the University by not only enhancing the aesthetics of the neighborhood, but, more importantly, improving the quality of life in the University neighborhood by providing superior housing options. The Project is vitally important to the efforts being made to revitalize the area around Southern University, and we expect our Alumni will be very interested living here in walking distance.

On behalf of the University, I ask that Louisiana Housing Corporation provide whatever assistance is needed to the Partnership and the Project to ensure the success of the development.

I greatly appreciate your help in this matter. Time is of the essence.

Sincerely,

- Development in need of rehabilitation
- Many of the units within the development need significant repairs
- The development can be rehabilitated to bring up to current codes and standards, but such repairs would be extensive

On Wednesday, May 1<sup>st</sup>, 2013, I visited Jaguar Plaza in Baton Rouge. Rehabilitation has not commenced. Due to the age of the building and deferred maintenance, the building is in desperate need of rehabilitation. Many units are no longer habitable. If renovated, the development can be retrofitted to meet all current codes and standards regarding construction, efficiency, and accessibility.

The following resolution was offered by Director \_\_\_\_\_ and seconded by Director \_\_\_\_\_:

### RESOLUTION

**A resolution providing for approval of the State's 2014 Preliminary Qualified Allocation Plan; and providing for other matters in connection therewith.**

**WHEREAS**, Section 42 of the Internal Revenue Code of 1986, as amended (the "Code") provides for a low-income housing credit (the "Housing Credit") that may be claimed as part of the general business credit under Section 38 of the Code; and

**WHEREAS**, the Housing Credit determined under Section 42 of the Code is allowable only to the extent that the owner of a qualified low-income building receives a housing credit allocation from a housing credit agency such as the Louisiana Housing Corporation (the "Corporation") unless the building is exempt from the allocation requirements by reason of Section 42(h)(4) of the Code; and

**WHEREAS**, the Corporation acts on behalf of the State of Louisiana (the "State") in applying for, implementing, allocating, and administering programs, grants and/or resources made available pursuant to Section 42 of the Internal Revenue Code (the LIHTC Program); and

**WHEREAS**, Section 42(m)(1)(D) provides that Subsection (h)(4) shall not apply to any bond financed project unless the project satisfies the requirements for allocation of a housing credit under the Allocation Plan applicable to the area in which the project is located and the governmental unit which issued the bonds (or on behalf of which the bonds were issued) makes a determination under rules similar to the rules of subparagraphs (A) and (B) of Section 42(m)(2); and

**WHEREAS**, under Section 42(m)(1)(A) of the Code, the housing credit for any building is zero unless (i) such amount was allocated pursuant to a qualified allocation plan (the "Allocation Plan") of the housing credit agency, (ii) the housing credit agency notifies the chief executive officer of the local jurisdiction within which the building located of such project and provides such individual a reasonable opportunity to comment on the project, (iii) a comprehensive market study of the housing needs of low-income individuals is conducted before the credit allocation is made by a disinterested party who is approved by the housing credit agency and (iv) a written explanation is made available to the general public for any allocation of housing credit dollar amount which is not made in accordance with established priorities and selection criteria; and

**WHEREAS**, pursuant to Section 42(m)(1)(B) of the Code, the Allocation Plan must:

- (i) set forth selection criteria to be used to determine housing priorities of the Corporation which are appropriate to local conditions;
- (ii) also give preference in allocating housing credit dollar amounts among selected projects to---
  - (I) projects serving the lowest income tenants,
  - (II) projects obligated to serve qualified tenants for the longest periods, and
  - (III) projects which are located in qualified census tracts and the development of which contributes to a concerted community revitalization plan, and
- (iii) provide a procedure that the Corporation will follow in monitoring for non-compliance with the provisions of Section 42 of the Code and in notifying the Internal Revenue Service (the "IRS") of such non-compliance which such agency becomes aware of and in monitoring for non-compliance with habitability standards through regular site visits.

**WHEREAS**, pursuant to Section 42(m)(1)(C) of the Code, the selection criteria set forth in a qualified allocation plan must include:

- (i) project location,
- (ii) housing needs characteristics,
- (iii) project characteristics, including whether the project includes the use of existing housing as part of a community revitalization plan,
- (iv) sponsor characteristics,
- (v) tenant populations with special housing needs,
- (vi) public housing waiting lists,
- (vii) tenant populations of individuals with children,
- (viii) projects intended for eventual tenant ownership,
- (ix) the energy efficiency of the project, and
- (x) the historic nature of the project.

**WHEREAS**, Section 42(m)(2)(A) requires the Corporation to allocate Housing Credits to a project in an amount which the Corporation determines is necessary for the financial feasibility of a project and its viability as a qualified low income housing project throughout the credit period; and

**WHEREAS**, the Corporation is required to take into account in making its determinations under Section 42(m)(2)(A) the following:

- (i) the sources and uses of funds and the total financing planned for the project;
- (ii) any proceeds or receipts expected to be generated by reason of tax benefits;
- (iii) the percentage of housing credit dollar amount used for project costs other than

- the cost of project intermediaries, and
- (iv) the reasonableness of the developmental and operational costs of the project; and

**WHEREAS**, Section 42(m)(1)(A)(i) of the Code requires that the Allocation Plan be approved by the governmental unit in accordance with the rules similar to the rules of Section 147(f)(2) of the Code (other than subparagraph (B)(ii) thereof) of which the Corporation is a part; and

**WHEREAS**, the Corporation's Program Rule attached hereto as **Exhibit I** and the Selection Criteria attached hereto as **Exhibit II** utilized in connection with the Corporation's Low Income Housing Tax Credit Application Package have been determined to satisfy the requirements of Section 42(m)(1)(B)(i) and (ii) and Section 42(m)(1)(C) of the Code and to satisfy the Corporation's responsibilities under Section 42(m)(2); and

**WHEREAS**, under Section 42(m)(1)(D) of the Code, the Housing Credit for any project qualifying under Section 42(h)(4) of the Code is zero unless the project satisfies the requirements for allocation of a Housing Credit under the Allocation Plan of the Corporation; and

**WHEREAS**, under Section 42(m)(1)(B)(iii) of the Code, an Allocation Plan is not qualified unless it contains a procedure that the Corporation will follow in monitoring compliance with the provisions of Section 42 of the Code and notifies the IRS of any non-compliance of which the Corporation becomes aware; and

**WHEREAS**, Section 42(m)(1)(B)(iii) is effective on January 1, 1992, and applies to all buildings placed in service for which a Housing Credit is, or has been, allowable at any time; and

**WHEREAS**, final regulations relating to (i) the requirement that State allocation plans provide a procedure for the Corporation to monitor for compliance with the requirements of Section 42 of the Code, (ii) how the Corporation is to report any non-compliance to the IRS, and (iii) the affect of such regulations on the Corporation, owners of buildings or projects for which a Housing Credit is claimed, and taxpayers claiming the Housing Credits are contained at 26 CFR Part 1 (the "Compliance Regulations"); and

**WHEREAS**, Section 1.42-5 of the Compliance Regulations provides that a procedure for monitoring for non-compliance under Section 42(m)(1)(B)(iii) must include the following:

- (i) Recordkeeping and Record Retention Provisions of Section 1.42-5(b) of the Compliance Regulations;
- (ii) Certification and Review Provisions of Section 1.42-5(c) of the Compliance Regulations;
- (iii) Inspection Provisions of Section 1.42(d)-5 of the Compliance Regulations; and
- (iv) Notification of Non-Compliance Provisions of Section 1.42(5)(e) of the Compliance Regulations.

**WHEREAS**, the form of the Compliance Monitoring Agreement attached hereto as **Exhibit III**, to be entered into between the Corporation and owners of low-income housing projects, is sufficient to satisfy the Compliance Regulations relating to the requirements that an owner of a low-income housing project (i) keeps and retains records for each qualified low-income building in the project, (ii) certify under penalty of perjury certain matters relating to the operation of the project for prescribed periods, and (iii) make available the project and records in connection with the project for on-site inspection; and

**WHEREAS**, pursuant to Section 1.42-5(c)(2) of the Compliance Regulations relating to reviews of each low-income housing project by the Corporation, the Corporation must:

- (i) review owner certifications under Section 1.45-5(c)(1) for compliance with the requirements of Section 42;
- (ii) conduct on-site inspections of all buildings in the project by the end of the second calendar year following the year the last building in the project is placed in service and, for a least 20 percent of the project's low-income units, inspect the units and review the low-income certifications, the documentation supporting the certifications, and the rent records for the tenants in those units; and
- (iii) at least once every 3 years, conduct on-site inspections of all buildings in the project and, for at least 20 percent of the project's low-income units, inspect the units and review the low-income certifications, the documentation supporting the certifications, and the rent records for the tenants in those units; and
- (iv) randomly select which low-income units and tenant records are to be inspected and reviewed by the Corporation. *The review of tenant records may be undertaken wherever the owner maintains or stores the records (either on-site or off-site). The units and tenant records to be inspected and reviewed must be chosen in a manner that will not give owners of low-income housing projects advance notice that a unit and tenant records for a particular year will or will not be inspected and reviewed. However, the Corporation may give an owner reasonable notice that an inspection of the building and low-income units or tenant record review will occur so that the owner may notify tenants of the inspection or assemble tenant records for review (for example, 30 days' notice of inspection or review).*

**WHEREAS**, Section 1.42-5(h) of the Compliance Regulations provides that (i) the requirement of Section 42(m)(1)(B)(iii) that allocation plans contain a procedure for monitoring non-compliance becomes effective as of June 1, 1992 and applies to buildings for which a low-income housing credit is, or has been, allowable at any time and (ii) Section 42(m)(1)(B)(iii) of the Code and the Compliance Regulations do not require monitoring for whether a building or project is in compliance with the requirements of Section 42 of the Code prior to January 1, 1992; provided, however, if the Corporation becomes aware of non-compliance that occurred prior to January 1, 1992, the Corporation must notify the IRS of that non-compliance.

**NOW THEREFORE BE IT RESOLVED** by the Board of Directors of the Louisiana Housing Corporation:

**SECTION 1. PROGRAM RULE.** The Program Rule attached hereto as **Exhibit I** is hereby preliminarily approved.

**SECTION 2. SELECTION CRITERIA.** The Selection Criteria attached hereto as **Exhibit II** is preliminarily approved.

**SECTION 3. COMPLIANCE MONITORING AGREEMENT.** The Compliance Monitoring Agreement, substantially in the form attached hereto as **Exhibit III**, is preliminarily approved.

**SECTION 4. PUBLIC HEARINGS.** Corporation's staff is authorized to hold public hearings as required by IRC Section 42 and to do any other necessary action in furtherance of finalization of the QAP.

**SECTION 5. OTHER ACTIONS AND APPROVALS.** The officers of this Board of Directors and the Interim Executive Director or Chief Operating Officer or Program Administrator of the Corporation are authorized and empowered to take any and all further action and to sign any and all documents, instruments and writings as may be necessary to carry out the purposes of this resolution and to file, on behalf of the Corporation, with any governmental board or entity having jurisdiction over the Corporation, such applications or requests for approval as may be required by law, in accordance with the requirements of Section 147(f) of the Code.

This resolution having been submitted to a vote, the vote thereon was as follows:

## I. General Program Information

### A. Introduction

The Low Income Housing Tax Credit Program (the “**LIHTC Program**”) was enacted under Section 42 of the Internal Revenue Code of 1986, as amended (the “**Code**”) to promote the development of affordable and workforce housing. This **Special Industrial Development** Qualified Allocation Plan (the “**SID 2014 QAP**”) has been developed by the Louisiana Housing Corporation (the “**Corporation**”), in compliance with Section 42 of the Code. This **Special Industrial Development** QAP reflects a policy framework within which the Corporation will allocate low-income housing credits (“**LIHTCs**” or “**Credits**”) and other resources to taxpayers for the development of affordable housing that addresses the housing needs of Louisiana’s citizens by targeting areas of significant economic growth and industrial investments.

**Mission and Allocation Goals** - The Corporation shall administer the LIHTC Program and other resources to encourage the development and preservation of appropriate types of rental housing for households that have difficulty finding suitable, accessible, affordable rental housing in the private marketplace. The Corporation’s intent is to maximize the production of suitable, accessible, affordable residential rental units that are added to the state’s housing supply and to prevent the loss of existing residential rental housing by encouraging the rehabilitation of affordable rental housing units. The Corporation welcomes the participation of for-profit organizations and non-profit organizations in the acquisition, development and operation of accessible affordable housing developments in rural and urban communities. The Corporation anticipates the production of affordable housing units in rural, emerging growth areas/cities and/or unserved parishes of the State.

The goal of the Corporation and the Board, through the allocation process and provisions of this **Special Industrial Development** QAP, is to encourage affordable housing development in high opportunity areas by targeting areas of increased economic growth and industrial investments. Integrating housing in high-opportunity areas gives low income families and children better chances of success. High opportunity areas include areas with sustainable employment, high performing schools, quality health care and child care, and safe neighborhoods.

### B. Allocation Pools (Applicants may make one pool selection ONLY)

With the exception of projects competing in, the State’s 2014 housing credit ceiling will be divided among the Qualified Non-profit/CHDO Pool and the General Pool

1. Qualified Non-profit/CHDO Pool: At least ten percent (10%) of the 2014 housing credit ceiling available under Section 42(h)(3)C(ii) will be awarded to a Qualified Non-Profit/CHDO Pool for reservations to qualifying Applications which evidence the material participation of a qualified non-profit organization.

Applications for reservations from the Qualified Non-Profit Pool/CHDO Pool must submit the following:

- IRS 501(c)(3) or 501(c)(4) Determination Letter of non-profit organization

- Articles and Bylaws of non-profit organization
- CHDO approval letter from participation jurisdiction if applying as a CHDO
- Non-profit Participation Information as required by the Application
- Development Services Agreement evidencing that Qualified Non-profit or CHDO will receive at least fifty-one percent (51%) of the Developer Fee.

2. General Pool: The allotment of Credits to the General Pool is anticipated to be \$9,000,000.

Projects may only select **one (1) pool**. Projects must choose to compete in either the Qualified Non-Profit Pool/CHDO Pool or the General Pool. Projects that are deemed feasible and viable with the highest ranked score will be awarded from the selected pool until such time that insufficient credits are available to award the next highest ranked project.

At that time, the balance remaining in the General Pool will be transferred to a **Collapsed Statewide Pool** for reservations to qualifying applications in the state wide rank order.

No project ranked lower than the next highest ranked project qualifies for the balance in any pool if a higher ranked project in such pool requires more credits than are available to fund such project as requested in the application and supported by the F&V analysis.

Following final approval of the awards, any unfunded projects will be placed in statewide rank order. In addition to such unreserved balances from pool collapse, any Credits returned in calendar year 2013 in accordance with the provisions of Section 42(h)(3)C(iii) from a prior year allocation will be also be available to projects on the basis of their state wide rank order.

Note: QNP/CHDO pool must have full 10% allocation.

Qualified Non-Profit/CHDO Pool (At least 10%)	\$	1,200,000
General Pool (90%)	\$	9,000,000
Total estimate 2014 Per Capita Ceiling	\$	10,200,000

### C. Maximum Tax Credits

1. Project and Developer Limits: No project will be reserved Credits in excess of \$1,000,000 from the 2014 credit ceiling. No Developer, including related persons thereof or agents thereof or any person having an identity of interest with any such Developer, related persons thereof or agents thereof or any combination of the foregoing shall be reserved tax credits in excess of \$1,000,000 under the 2014 housing credit dollar ceiling.

Notwithstanding the Developer Fee Limit stated in any QAP to the contrary, a Developer may participate in a project sponsored by a qualified non-profit organization in which the Developer provides payment and performance guarantees on behalf of such nonprofit sponsor and in which the Developer's participation in such Project causes the Developer to exceed the Developer Fee limits only if the qualified non-profit sponsor, Developer and Taxpayer-Owner of such Project enter into an appropriate agreement with the Corporation to limit the Developer Fee in such project to be allocated to such Developer to a percentage of the maximum approved Developer Fee. The referenced percentage is to be determined by a fraction in which (a) the numerator is the amount of credits allocated to such Project that would permit the Developer to avoid the maximum credits per Developer and (b) the denominator is the amount of credits allocated to such Project.

2. Bond Exceptions to Project and Developer Limits: The limitation of tax credits per project and per Developer shall not apply to the tax credits which are generated from a bond financing if the total number of low income units in the project is described in a notice of public hearing published in a newspaper of general circulation within the parish where the project is located and a public hearing is held in a local forum proximate to where the project is located. The public hearing must follow a Notice of Public Hearing published at least fourteen (14) days prior to the hearing. Such Public Notice must specify the number and percentage of low-income units in the project if the project contains fifty or more units or, if not specified in the Public Notice, the number and percentage of low-income units in the Project must be approved by the governing authority of the jurisdiction within which the Project is located.

#### **D. Governing LIHTC Program Document**

The Qualified Allocation Plan is the governing document for the LIHTC Program. If any inconsistencies with other program documents, including the electronic Application, are noted, the Qualified Allocation Plan is the controlling document and dictates the Corporation's requirements for the LIHTC Program. The **Special Industrial Development** QAP is scheduled to be adopted by the Directors of the Board at the June 12, 2013 Meeting. The **Special Industrial Development** QAP will be posted to the Corporation's website by no later than Noon, CT on Thursday, June 13, 2013. Applicants will be allowed to submit written questions to the Special Industrial Development QAP ONLY until Wednesday, June 19, 2013 by 10:00 AM so that they may be addressed during a FAQ session following the workshop. Questions should be submitted to [QAPCOMMENTS@LHC.LA.GOV](mailto:QAPCOMMENTS@LHC.LA.GOV).

#### **E. Modification of Program Instructions, Requirements, and Procedures**

The Corporation reserves the right to amend, modify or withdraw any of the program instructions, requirements or procedures contained herein that are inconsistent or in conflict with state and federal laws and/or regulations.

## F. Other Funding Sources

1. **HOME Investment Partnership Program:** The Corporation has available \$3,000,000 in HOME funds for projects that will be awarded Low Income Housing Tax Credits in conjunction with the **Special Industrial Development** QAP. The maximum amount of HOME funds available to a single project will be the lower of \$1,000,000 or the maximum amount of HOME Funds allowed per HOME assisted unit under HUDs FHA 221(d)(3) limits for elevator structures. HOME Funds will accrue interest at a rate and will be payable from fifty percent (50.0%) of Surplus Cash so that at the end of the Extended Use Period the unpaid balance of the HOME Note combined with any other soft financing not exceeding 80% of the residual value of the project. Please note that effective January 1, 2011 HOME activities with commitments that are over 12 months old with no funds disbursed will be automatically cancelled by HUD and the funds uncommitted.

If HOME Funds are made available from the mandatory CHDO set-aside, the CHDO must be the sole managing member or general partner of the taxpayer/owner of the project receiving a CHDO set-aside. In accordance with CPD Notice 12-007, a CHDO may not be reserved any HOME Funds unless the Corporation has determined that the CHDO staff has demonstrated development experience and capacity.

2. **CDBG Funds:** The Corporation has approximately \$3 million in CDBG Funds to be used in conjunction with the **Special Industrial Development** QAP. CDBG Funds are restricted to awarded Tax Credit projects located in the Gustav and Ike designated disaster areas (as defined in the glossary). The maximum amount of CDBG Funds allowed to a single project is \$1,000,000. CDBG Funds used in combination with either Credits allocated under the State's housing credit ceiling or generated in connection with buildings financed by tax-exempt bonds subject to the volume cap in accordance with the Section 42(h)(4) of the Code. Projects receiving an award of 9% credits will be subject to the project and developer limits outlined in the 2014 QAP. CDBG Funds will be awarded in the form of a cash flow payable loan. Projects are not limited to requesting either CDBG or HOME funds. No single project will be awarded both CDBG and HOME funds under the 2014 QAP. Projects may request Credits and qualify for the CDBG or HOME Funds. Projects must indicate in the application how much "Other Funding Sources" are being requested and which source is the first and second preference.
3. **30% Basis Bump Up Determination:** Applicants may qualify for 30% Basis Bump Up if located in a Difficult Development Area (DDA) or a Qualified Census Tract (QCT).

#### **G. Temporary Minimum Credit Percentage for Non-Federally Subsidized New Buildings**

In accordance with the Housing and Economic Recovery Act of 2008, the applicable percentage of not less than nine percent (9.0%) for new building that are not federally subsidized only applies if tax credits are allocated prior to January 1, 2014. Projects reserved tax credits from the 2014 housing credit ceiling will be required to enter into a binding irrevocable election to use credit percentage for month of reservation.

## II. Allocation Process

### A. Instructions for Submission of Applications

1. Competitive Applications: Electronic Applications for a Tax Credit reservation from the Calendar Year 2014 housing credit ceiling must include all appendixes, exhibits and attachments properly labeled electronically along with a non-refundable Application Fee, Analysis Fee, Market Study Fee and the Subsidy Layering Review Fee (if applicable). The fees must be computed and submitted by no later than Wednesday, July 31, 2013 at 4:30 PM CT in accordance with the Non-Refundable Fee Schedule specified in Sub-letter C within this section.

**The application deadline is 4:30 pm, Central Standard Time, Wednesday, July 31, 2013.**

LHC will provide on its website electronic application processes that must be submitted in connection with the Special Industrial Development QAP. By submitting an application, applicants agree to conduct a transaction with the LHC by electronic means. In addition, applicants agree to permit the LHC to transfer the electronic application to any ancillary service providers, including but not limited to underwriters and market analysts employed in the QAP process.

Electronic applications shall be disqualified under the following circumstances: 1) if the sender or its informational processing system inhibits the ability of the LHC to print or store the electronic application; 2) if the application is incomplete or not received by the application deadline; 3) if the application is not in a form capable of being processed by the LHC's processing system designated for the purpose of receiving applications for this QAP; 4) if each applicant doesn't create a unique id and password to access and complete electronic application(s); or 5) if valid email address isn't provided. Applications will not be accepted via email transmission. Please start early and save your electronic application(s) in stages to avoid the possibility of last minute network traffic failures and or bottlenecks. The final and complete application submission deadline is 4:30 PM CT, Wednesday, July 31, 2013. Questions related to the submission of the electronic application will be accepted up to the application deadline. Such questions must be submitted via email to [QAPCOMMENTS@LHC.LA.GOV](mailto:QAPCOMMENTS@LHC.LA.GOV).

For purposes of the QAP, the application must be submitted to <https://webapps18.lhc.la.gov/> (secure electronic application link).

When the final application is submitted, the applicant will receive an electronic message from the LHC notifying the applicant that the application was "received" and applicants should retain a hard copy of the notification. However such receipt will not prove that the application was complete or that it meets all other necessary requirements. LHC retains the right to request and retain all original documents that are submitted electronically in the application. An applicant's failure to provide original documents within 72-hours after receiving the Corporation's

written request for such documents will result in automatic disqualification of the application.

2. Bond Financed Applications: Applicants desiring to verify that a bond financed project satisfies the Qualified Allocation Plan must submit the application and all documents electronically along with the non-refundable Application and analysis fees (and the Subsidy Layering Review Fee, if applicable) computed in accordance with the Non-Refundable Fee Schedule specified in Sub-letter C within this section must be received prior to completing any review. Processing of bond financed projects must be submitted to the Corporation 45 days in advance of the meeting at which such project will be subject to approval by the Agency's Board of Directors in accordance with the latest approved Qualified Allocation Plan. Bond financed projects must satisfy all elements of the Qualified Allocation Plan. Bond Financed Applications may be submitted for projects located in any of the Parishes throughout the state. Cost and profit limitations and minimum score may be waived by the Governor in the executive order allocating private activity volume cap or by the Agency's Board of Directors following a staff review that determines that such additional costs are justifiable and reasonable under the circumstances or are attributable to unique development characteristics (e.g. location in a difficult to develop area, limited commercial space or tenant services or common areas essential to the character of the development). Development Costs per unit in excess of the QAP limits will be permitted only (a) upon submission of a report by an Independent Qualified Construction Consultant retained by the Corporation that (i) describes the elements of the Project's Plans and Specifications, Schedule of Values and budgeted development costs causing the Total Development Costs per unit to exceed the QAP limits and (ii) concludes that the excess costs are justified and not unreasonable based upon the review of the Independent Qualified Construction Consultant and (b) the construction contract for the Project in accordance with the Plans and Specifications reviewed by the Independent Qualified Construction Consultant is awarded on the basis of a competitively solicitation to the lowest responsible bidder. The fees for the report of the Independent Qualified Construction shall be paid by the Applicant. Taxpayer/Owners of bond-financed projects must enter into an appropriate regulatory agreement and compliance monitoring agreement prior to receiving Forms 8609.
3. Applications Must be Complete: Applications must be complete and include all appendices, exhibits and attachments. **Applications are due Wednesday, July 31, 2013 at 4:30 PM CT.** Applicable fees must be submitted to the Corporation by no later than 4:30 PM CT on Friday, August 2, 2013 or be subject to disqualification as incomplete. **Fees must be paid only by cashier's check, electronic wire transfer, or money order.**

Address: Louisiana Housing Corporation  
2415 Quail Dr.  
Baton Rouge, LA 70808

4. **APPLICANTS ARE RESPONSIBLE AND ACCOUNTABLE FOR THE ACCURACY OF INFORMATION SUBMITTED AND FOR COMPLIANCE WITH PRESCRIBED RULES BY IRS, THE LHC OR THE CORPORATION**

**HAVE FULL AND FINAL AUTHORITY TO DETERMINE IF AN APPLICATION IS INCOMPLETE AND SHALL BE DISQUALIFIED.**

5. Application Deadline: The application deadline for delivering complete applications for review is:

**4:30 pm, Central Standard Time, Wednesday, July 31, 2013**

Applications not received electronically with all appendixes, exhibits and attachments on or before 4:30 pm, Central Time, **Wednesday, July 31, 2013** shall be disqualified.

ALL FEES COLLECTED BY THE LHC OR THE CORPORATION ARE NON-REFUNDABLE

## D. Competitive Evaluation

1. Notice to Applicant and Rank Ordering of Applications: The LHC or the Corporation will notify the applicant upon receipt of an Application. Information will not be provided as to the Application's processing status during the review and selection process following the Final Application Deadline. However, the LHC or the Corporation's staff will process the score of each Application based upon information contained within the attached Selection Criteria and the processed score for review to the Board of Directors.

Staff will post to the LHC's or Corporation's designated website a copy of each Application's score and the tentative rank order list of all Applications prior to the submission to the Corporation's Board of Directors.

Challenge Period: The LHC's or the Corporation's challenge period runs from September 16, 2013 thru September 30, 2013. During this period an applicant may challenge **in writing** the Feasibility Viability Analysis Report, Market Study Analysis and Staff's scoring. Complete challenge information, submitted

electronically (to the designated e-mail site provided in the challenge letter from the Corporation) must be received by no later than 4:30 PM CT on September 30, 2013 for acceptance or review. **Written objections during the challenge period may be based only upon the interpretation of information submitted in the application by the Final Application Deadline as supplemented for clarification during the challenge period.**

Though not required, developers will be offered the opportunity to meet with staff/review committee to review any **challenge material which was properly submitted during September 16<sup>th</sup> - September 30<sup>th</sup>**. The aforementioned meetings will be offered during the week of October 14, 2013 and October 18, 2013.

**NOTE: Applicants must indicate in the first sentence of their challenge response if they wish to schedule a meeting with the review committee.**

Final Rank Order: Staff will provide each developer a reconciliation of their scores and ranking by no later than 4:30 PM CT on November 22, 2013.

### **Appeals Committee**

A committee composed of a revolving three (3) member panel established at the discretion of the Executive Director and Board Chairman will review matters involving staff's decisions at the written request of the developer. The Appeals Committee will have discretion as to which matters will merit further review or consideration by the full Board of Directors. Requests for such review must be submitted **in writing** to the Executive Director by no later than 4:30 PM CT, November 4, 2013.

Based upon such written challenges received by no later than 4:30 PM CT on September 30, 2013 and scheduled meetings with the staff/review committee during October 14, 2013 and October 18, 2013 and any appeals as outlined in the above paragraph, the staff will submit a supplemental report at the November 13, 2013 meeting of the Board of Directors concerning the scoring of each Application. **The Board of Directors will approve the Final Rank Order and Awards of Applications on November 13, 2013.**

No information other than requested supplemental clarifying information during the challenge period will accepted during the review and selection process following the Final Application Deadline.

**THE FINAL RANK ORDER OF AN APPLICATION DOES NOT CONSTITUTE ANY ENTITLEMENT TO A RESERVATION OF TAX CREDITS IF A PROJECT IS OTHERWISE NOT FEASIBLE OR NOT VIABLE OR FAILS TO SATISFY OTHER REQUIREMENTS UNDER THE QAP.**

2. LHC or Corporation Request for Supplemental Data and /or Clarification: The LHC or Corporation retains the right to request supplemental data to support information contained in an Application and/or information to explain or clarify data contained in an Application.

3. Communication with Contact Person: The LHC staff will communicate only with the contact person listed in the Application. Information received from persons other than the contact person will be disregarded by the Corporation unless staff requested information be delivered directly by such other person.
4. Threshold Requirement: The qualified allocation plan requires applications to meet the minimum threshold requirements prior to receipt of a reservation of tax credits.
5. Tie-breaking Procedures: Credits for Applications submitted for a competitive funding round will be reserved to projects in descending order of score until all Credits available for reservation have been reserved. In the event of a tie between Applications for which there are insufficient Credits to reserve to each project, the LHC will use the following tie-breaking procedure:
- \*\*Projects receiving the same score using the competitive selection criteria of the state Qualified Allocation Plan will be awarded tax credits in the order of a sub-ranking score using the total points for such Projects evidenced in the following categories from the Selection Criteria:
- Selection Criteria IA (i): Projects promoting project diversity by percentage of limiting low-income units.
  - Selection Criteria IA (ii): Projects which promote geographic diversity by being located in a census tract with high area median incomes.
- If the use of the sub-ranking score does not break a tie, the project requesting the lower amount of tax credits will be allocated credits in advance of other projects requesting higher amounts of credits. In the event that there are remaining tied projects requesting the same amount of tax credits, preference will be given to the project with the earliest application submittal.
6. Reservations Pursuant to Qualified Allocation Plan and Federal Regulations: The Corporation reserves the right to make, revise, rescind or withdraw any reservations according to the 2014 Qualified Allocation Plan and in accordance with published federal regulations, rulings, guidelines and notices.
7. Waiting List: All unfunded applications meeting minimum threshold will be placed in rank order on the Corporation's approved waiting list for further Credit reservations as Credits become available in calendar year 2014. The 2014 waiting list shall remain active until either the next funding cycle, next QAP is drafted and approved or at such time the Board deems the waiting list not in effect.
9. Corporation Credit Allocation: Notwithstanding any contrary statement or representation by the LHC, or any contrary understanding or belief by the

applicant, no decision of the Corporation regarding the allocation of Credits shall be final until the applicant receives an IRS Form 8609 properly issued by the Corporation. Prior to the receipt of the IRS Form 8609 the Corporation may, in its discretion and at any time prior to the applicant's receipt of an IRS Form 8609, rescind or modify any allocation of Credit, if the Taxpayer or a Partner/Member of the Taxpayer has undertaken any action which is not consistent with the clear language of the QAP from which the Credit was allocated. The Forms 8609 will not be issued if the Taxpayer or a Partner/Member of the Taxpayer has been found to be noncompliant with any provision of federal, state, or local law or regulation (including the terms of the pertinent QAP).

10. **Binding Arbitration:** Any and all disputes concerning, but not limited to any process, reservation, requirement, recapture procedure or other that evolves under this QAP or funding rounds or initiatives, will be resolved via binding arbitration at the expense of the developer.

## **E. Project Threshold Requirements**

All applications must meet threshold requirements. Applications which fail to meet threshold requirements are ineligible to be considered for credits. Unless noted otherwise, projects with tax-exempt bond financing must also meet all threshold requirements to receive Tax Credits.

1. **Site Control:** Site control is required at time of application and may be documented by in the form of either a fully executed purchase agreement, an option to purchase or a valid title in the name of the taxpayer or developer.
2. **Zoning:** Appropriate zoning is required and may be evidenced in the form of (i) an official local jurisdiction map that the site is actually zoned for the proposed project type or (ii) a letter from an official of the jurisdiction stating either that (a) the proposed project is consistent with existing zone requirements or (b) if the site is not currently zoned for the project type, that changing the existing zoning requirements to permit the project to be constructed will be completed by a date certain (not later than the date specified in the QAP for tax credit reservations). This documentation must be included in the final application submitted no later than April 30, 2013.
3. **Infrastructure:** Evidence of essential infrastructure and proximity to other services is required and proof of such must be included in the application for the following:
  - (i) **Utilities:** Evidence of electrical, water and sewer lines to the property site, or if such facilities are not currently available, how such facilities will be available to the site.
  - (ii) **Transportation:** Evidence that reasonable transportation services are currently proximate to the site, or if such transportation services are not, a narrative statement of how tenants will **access commercial**, educational, recreational and other services upon completion of project.

- (iii) **Educational Facilities:** Evidence that (a) primary educational facilities are reasonably available to school-age children of tenants if the project is for family units or, if such **facilities are not**, a narrative statement of how school-age children will access public educational facilities and (b) the local public school system has been notified about the estimated prospective population count of school age children in the project when the project is placed in service (**Note: This is applicable to both new construction and rehabilitation projects.**).

4. **Environmental Review:** All projects involving use of existing structures must submit an Environmental Restrictions Checklist completed by a professional licensed to conduct environmental testing. Any finding that environmental hazards exist must be mitigated or abated in accordance with an Operating and Maintenance plan that addresses how each hazardous material or condition will be addressed, including the training of on-site personnel in accordance with applicable local, State and Federal laws or regulations. Costs associated with environmental hazard mitigation or abatement must be included in the project's budget.
5. **Tenant Referrals from LRA/OCD, PHAs, and the LHC:** Taxpayer shall acknowledge and agree to rent low income units to households referred by the LRA/OCD, and/or the local PHA if the tenants referred to the Taxpayer satisfy the requirements of the Project's Management and/or Operating Plan.
6. **Minimum Internet/Cable Capacity Requirements:** All units must be equipped with networks to provide cable television, telephone and internet access in the living area and each bedroom. The following networks (combined or distinct) must be capable of being accessed and activated by tenants: (i) telephone network installed for phones using CAT5e or better wiring, (ii) network for data installed using CAT5e or better, networked from the unit back to a central location or similar configured wireless network and (iii) TV services network using COAX cable. The wiring for such networks should be available to tenants free of charge but tenants may be charged the actual fee incurred by the Taxpayer for activating and making available any services provided directly by the Project or through third party providers. The equivalent of wireless network access is acceptable.
7. **Energy Efficiency:** Projects are required to meet the Energy Star Qualified Homes Version 3 (Rev.05) (Exhibit EE- ENERGY STAR Reference Design) minimum requirement. All of the energy efficiency components must be clearly and individually listed in an original stamped letter from either the architect or engineer of record. The letter must state that the entire construction envelope meets or exceeds the 2009 International Energy Conservation Code. Manufacturer's cut sheets must be submitted to document the energy efficiency of each component for which points are claimed.

Rural Development Rehabs will be allowed a waiver of the minimum threshold requirements on rehabilitation projects only if RD submits a letter with the

application authorizing the specific waiver(s) and concurring with the submitted request.

Rehabilitation Projects are not required to adhere to the minimum Energy Efficiency requirements unless:

- (i) The Capital Needs Assessment requires replacement of the item or
- (ii) The applicant chooses to replace an item or
- (iii) The Corporation's designated architect, in consultation with the Corporation's contracted underwriter, determines that an early replacement of an item with a more energy efficient system substantially improves the quality of life for residents with substantial benefits attributable to reduce deposits to reserves for replacement and/or reductions in operating expenses.

8. **Design Features:** All projects must meet the following design features: (1) All projects must have a 15-year or more maintenance-free exterior, such as brick, stucco, fiber-cementitious material or other Corporation approved acceptable durable materials. Vinyl siding is not an acceptable material. Additional product may be added to this list subject to review by the Corporation's Construction Department or designated architect. (2) All projects must have at least a 25 year roof warranty. (3) All projects must have at least double paned, double insulated windows, as defined by this QAP.
9. **New construction projects** must meet new FEMA Guidelines dated 4/12/2006 or the most current available for the location of the proposed project for elevation of housing relative to Base Flood Elevation. An Architect's certification must be provided for any project located inside a levee protected area.
10. **Rehabilitation projects** must submit a Capital Needs Assessment which specifically addressing the current FEMA Guidelines.
11. **Historic rehabilitation projects** must include in their submission information concerning minimum project requirements, including but not limited to Energy Efficiency requirements, Design Features, Base Flood Elevation requirements and Internet Cable requirements for consideration of applicable waivers at time of application.

## **F. Project Team/Developer Threshold Requirements**

### **1. Developer Experience:**

Such Managing General Partner or Sponsor must:

1. be identified in the application
2. become a general partner or managing member of the ownership entity, and
3. remain responsible for overseeing the project and operation of the project for a period of two (2) years after placed in service.

All owners and principals must disclose all previous participation in the low income housing tax credit program. Additionally owners and principals that have participated in an out of state tax credit allocation may be required to complete an Authorization for Release of Information form.

No developer or taxpayer utilizing a debarred participant in the development or operation of a project may be reserved or allocated tax credits.

## **2. Property Management Experience:**

The property management company must have at least:

- a. One similar (size and type) tax credit project in their current or past portfolio, and
- b. One staff person serving in a supervisory capacity with regard to the project who has been certified as a tax credit compliance specialist.

Such certification must be from an organization approved by the LHC or the Corporation. None of the persons or entities serving as management company may have in their portfolio a project with material or uncorrected non-compliance beyond the applicable cure period. The management company listed on the application must be retained by the ownership entity for at least two (2) years after project completion, unless Taxpayer releases such the agent for nonperformance of duties.

The development must be managed by an On-Site Manager that has received LIHTC Compliance Certification dated no more than 12 months prior to the Application deadline from a program deemed acceptable to the Corporation in accordance with industry recognized training standards.

## **3. Project Team Disqualifications:**

The LHC or Corporation shall disqualify any taxpayer, its representative or agent, managing general partner, sponsor or management company, who is not in good standing with the LHC or Corporation, as defined herein. One who is "not in good standing" will be considered ineligible to receive a reservation/allocation of credits during this Funding Round. One is considered to be "not in good standing" with the LHC or Corporation if one has met one or more of the following criteria:

- a. has been debarred or received a limited denial of participation in the past ten years by any federal or state organization from participating in any development program;
- b. within the past ten years has been in a bankruptcy, an adverse fair housing settlement, an adverse civil rights settlement, or an adverse federal or state government proceeding and settlement;

- c. has been involved within the past ten years in a project which previously received an allocation of tax credits but failed to meet standards or requirements of the tax credit allocation or failed to fulfill one of the representations contained in an application for tax credits without the express approval of the LHC or the Corporation;
- d. has been found to be directly or indirectly responsible for any other project within the past five years in which there is or was uncorrected noncompliance more than three months from the date of notification by the LHC or Corporation or any other state allocating agency unless the LHC or the Corporation determines, in its discretion, that the uncorrected non-compliance was not the fault of the person in question;
- e. interferes with a tax credit application for which it is not an owner or Principal at a public hearing or other official meeting;
- f. has outstanding flags in HUD's national 2530 National Participation system;
- g. has been or is currently involved in any project awarded Tax Credits in 2009 or earlier for which the final cost certification requirements were not met by July 31, 2013;
- h. has been or is currently involved in any project awarded tax credits after 2000 where there has been a change in general partners or managing members during the last five years that the LHC or Corporation did not approve in writing beforehand;
- i. are delinquent or in default on any LHC or Corporation obligation (including but not limited to HOME repayment) as of July 31, 2013 (final application date) will be considered ineligible to receive a reservation/allocation of credits during this Funding Round;
- j. has an outstanding audit report requirement or unresolved audit deficiencies as of July 31, 2013 (final application date) will be considered ineligible to receive a reservation/allocation of credits during this Funding Round;
- k. has unresolved outstanding 8823's or other outstanding Compliance Violations as of July 31, 2013 (final application date) will be considered ineligible to receive a reservation/allocation of credits during this Funding Round; or
- l. are currently out of compliance with or project schedules by greater than ninety days as of July 31, 2013 (final application date) on current projects at the LHC or Corporation.

A disqualification under Subsection (F)(3) will result in the individual or entity involved not being allowed to receive an award of LIHTC in the 2014 cycle and removing from consideration any application where they are identified.

LHC or Corporation staff will provide each taxpayer notice by no later than June 14, 2013, via certified mail and electronic correspondence that the taxpayer is subject to disqualification based upon specific non compliance. The taxpayer, agent or representative, managing general partner, sponsor or management company must respond in writing, for receipt by the LHC or Corporation **via certified mail ONLY by no later than July 1, 2013 to Tax Credit Manager**, specifying reasons that they object to the findings of the LHC or Corporation. Staff will review all objections received and provide the results of their review to the applicant and Board of Directors by no later than July 10, 2013 so that the taxpayer, agent or representative, managing general partner, sponsor or management company may prepare an appeal, if he or she desires, to the Board of Commissioners at the regularly scheduled August 14, 2013 meeting.

The taxpayer, agent or representative, managing general partner, sponsor or management company's written appeal and supporting documents should be submitted for the Board's review no later than 11:00 am CST on Wednesday August 1, 2013.

Based upon staff's review, a final recommendation to the Board of Directors will be presented at its regularly scheduled August 14, 2013 meeting. The decision of the full board regarding disqualification status will be final.

Prospective applicants are hereby notified that any and all expenses incurred in the preparation of applications to be submitted during this round are incurred at their own risk and are subject to forfeiture.

## **G. Other Program Requirements**

1. **Local Community Notification:** The Applicant must include in the Application evidence that a Public Notice was published in a local newspaper having general circulation in the city, town, township or municipality of the proposed development area **AND** in the official journal of the local governing authority three (3) separate times between June 1, 2013 and August 31, 2013.

See attached list of acceptable local newspapers and official journals of local governing authority. If any applicant proposes to submit an application in an area not listed or covered by the attached, a written request for additional information must be submitted by no later than June 1, 2013 at 4:30 PM CT to QAPCOMMENTS@LHC.STATE.LA.US.

2. **This notice must include:**
  - The name of the project owner;
  - The project name;
  - The project address or location;
  - The maximum number of units;
  - Mix of units

- The nature of the project (i.e. new construction or rehabilitation, elderly or family, etc and construction type and occupancy type along with proposed community facility and supportive services;
- State the project is competing for 9% Tax Credits provided by Louisiana Housing Corporation; and
- Total development cost including funding sources and amounts.

Applicant must provide proof that correspondence has been submitted to the Mayor and appropriate local governing authority of the smallest jurisdiction within which the project is to be located, such as City Council, where the project is proposed notifying them of the project and including above referenced notice information.

3. **Total Development Cost and Unit Size Limitations:** No project will be reserved credits if the limits and other requirements by type and size of unit specified below are not satisfied.

a. **Minimum Square Footage and Full Bathrooms Per Unit Type:**

<b><u>Unit Type</u></b>	<b><u>Bathrooms</u></b>	<b><u>Square Feet</u></b>
Efficiency	1	450
1 Bedroom	1	650
2 Bedroom	1	800
3 Bedroom	2	1100
4 Bedroom	2	1400

- (i) **Waiver of Minimum Bathroom and Bedroom Size.** The minimum bath rooms and bedroom size may be waived for an existing project which is being rehabilitated only if a federal program finances the unit and the federal agency administering the program which finances the unit requests a waiver of such limits.

- (ii) **Reduction of Minimum Square Footage Per Unit.** The minimum square feet per unit may be reduced by 10% for existing units if the local jurisdiction within which the units are located certifies that such units will comply with all applicable zoning and building codes.

b. **Maximum Average TDC Per Unit by Development Type:**

Acquisition/Rehab (incl. elderly)	\$125,000
New Construction/Conversions (incl. elderly, non-elevated)	\$150,000
New Construction/Conversions (incl. elderly, elevated)	\$175,000
Historic Rehab	\$250,000
Scattered Site	\$185,000

- c. **Exclusion of Governmental Grants and Historic Credit Syndication Proceeds from Cost Limits.** The costs of a development funded by a governmental grant or with the proceeds from syndicating historic credits

will be excluded from total development costs for the purposes of establishing the Maximum Average TDC per Unit and for purpose of calculating maximum qualified basis of a building or Project. The costs of a development funded by a government grant that is structured as a below market government loan to the Project may be excluded from total development costs for the purposes of establishing the Maximum Average TDC Per Unit, provided that to the extent excluded for the purposes of establishing the Maximum Average TDC Per Unit, it shall also be excluded for purpose of calculating the Credit allocation by the LHC or Corporation.

- d. Exclusion of Costs of Community Facilities and Community Services Facilities from Cost Limits: The costs associated with Community Facilities and Community Service Facilities will be excluded from total development costs for the purpose of establishing the Maximum Average TDC per Unit. The costs of Community Facilities which are functionally related and subordinate to the residential units and the costs of Community Service Facilities not in excess of the sum of (i) twenty-five percent (25%) of so much of the eligible basis of the qualified low-income housing project of which it is a part does not exceed fifteen million dollars (\$15,000,000) plus (ii) ten percent (10%) of the eligible basis of such project as is not taken into account under (i) may be included in eligible basis of a building or Project.
  - e. SRO Projects: Single Room Occupancy Projects will not be subject to Maximum Average TDC Per Unit Limits if the local governmental unit by resolution or ordinance endorses the SRO Project and certifies that the SRO Project will provide shelter to homeless persons or will receive Stewart-McKinney Act Funds.
  - f. Projects Reallocated Credits Based on Housing Discrimination: Notwithstanding any other calendar year Qualified Allocation Plan to the contrary, additional costs to projects which are delayed based upon housing discrimination and which are reallocated credits will not be subject to cost limits if the project is otherwise feasible and viable and the Corporation's Board of Directors acknowledges that the increased costs were due to circumstances beyond the control of the Taxpayer.
  - g. Bond Financed Projects: Bond financed projects are not subject to the Maximum Average TDC Per Unit Limits if no other State or Federal subsidies are provided.
  - h. Construction and Design Standards: All projects must adhere to the Construction and Design Standards as contained in Exhibit A. Requirements for New Construction Scattered Site Projects are also contained in Exhibit A.
4. **Project Amenities:** All properties other than SRO Projects must include HVAC systems, refrigerators, stoves, an on-site laundry (1 washer and 1 dryer per every 10 units- except for Elderly Projects). If washers and dryers are installed

and maintained in every unit at no additional cost to tenants, an on-site laundry is not required. All amenities, with the exception of the on-site laundry, must be available to the tenants at no additional charge. The requirement of an on-site laundry shall not apply to rehabilitation projects with 12 or fewer units.

5. **Profit Limits:**

**Developer Fees**

Developer Fees for a project shall not exceed fifteen percent (15%) of the Developer Fee Base.

No Developer Fee, including payments to consultants, will be allowed unless a Development Services Agreement is submitted as an Exhibit to the Tax Credit Application Package. The Developer Fee Base will include only the amount of Builder Profit, Builder Overhead and General Requirements at the maximum limits permitted by the Corporation and will exclude all payments to the Developer or persons related to or having an identify of interest with the Developer. Fees paid to CHDOs or non-profits will not be added to the total amount of developer's profit cap.

**Architect Fees**

Architect Fees shall not exceed 7% of construction contract

**Builder Profit**

Builder Profit shall not exceed six percent (6%) of the Builder Profit Fee Base.

**Builder Overhead**

Builder Overhead shall not exceed two percent (2%) of the Builder Profit Fee Base.

**General Requirements**

The actual costs associated with General Requirements shall not exceed six percent (6%) of the General Requirements Base. Bond Premium paid by the Developer or the Taxpayer/Owner will be excluded from the General Requirements.

**Syndication Costs**

Syndication Costs in excess of ten percent (10%) and fifteen percent (15%) of Gross Equity for privately placed and publicly offered Syndications, respectively, will be treated as part of the Developer Fee.

6. **Self-Owned Equipment Limitations:** Costs deemed to lease self-owned equipment or to lease equipment owned by persons related to or having an identity of interest with the Developer or Builder will be considered as builder profit and overhead; provided, however, that certifications as to costs of fuel, lubrication, normal expenditures for such identified equipment, maintenance, repair and depreciation will be considered as a construction cost.

**H. Subcontractor Limits Related to builder Profit and Overhead:** No overhead and builder profit will be allowed when (i) more than fifty percent (50%) of the contract sum in the construction contract is subcontracted to one subcontractor, material supplier or equipment lesser or (ii) seventy five percent (75%) or more with three or fewer subcontractors, material suppliers or equipment lessors.

**I. Pro Forma Cash Flows:** All projects must submit fifteen year pro forma cash flows complying with the following requirements:

- a. **Rate of Increase Assumptions for Revenues and Expenses:** Revenues may be projected to increase at a rate not in excess of two percent (2%) and expenses must be projected to increase at a rate of not less than OCAF or three percent (3%).
- b. **Required Debt Service Ratios:** Debt service ratios may not fall below 1.15 (1.10 for RHS Properties) unless the Taxpayer/Owner executes an appropriate escrow or acceptable guarantee in an amount equal to the maximum cumulative cash flow shortfall. If Debt Service Ratios during the credit period with respect to all debt exceeds 1.4, the excess cash flow must be deposited to the Reserves for Replacement or used to prepay hard debts. The Minimum Reserve Balance shall be increased by such excess cash flow.
- c. **Maximum Return on Taxpayer Capital for Projects with HOME Funds and Distributions of Surplus Cash:** Any project which receives HOME Funds from the LHC or the Corporation and which evidences satisfaction of the Minimum Reserve Balance will be permitted a Capital Recovery Payment on Taxpayer Capital equal to 350 basis points above the comparable Treasury bill yields as of the Closing Date that are coterminous with the return of taxpayer capital over a maximum ten year period. Tax Credit equity shall be disregarded as Taxpayer Capital. Surplus Cash evidenced in annual audits may be distributed each fiscal year so long as such distributions are limited to not exceeding fifty percent (50%) of such Surplus Cash.
- d. **Terms Required for Cash Flow Notes:** Any cash flow note associated with the acquisition of an existing project must be accompanied by a schedule establishing the imputed principal of the cash flow note under Section 1274(b) of the Internal Revenue Code and any basis adjustment of the note and project pursuant to Section 1.1275-4(c) of the Treasury Regulations. All cash flow notes must mature on or before the end of the economic life of the project which may not exceed 55 years unless such cash flow note is a Developer Fee Cash Flow Note, in which case such Developer Fee Cash

Flow Note must mature by the end of the initial Compliance Period of 15 years.

- e. Vacancy Rate Assumptions: Assume a five percent (5%) vacancy rate and two percent (2%) bad debt unless the project is located in a "soft" market as determined by the Independent Qualified Housing Consultant within which a higher vacancy allowance will be required.
- f. Required Deposit to Reserves for Replacement: Minimum replacement reserves should equal \$250 per unit per year for new construction developments for seniors and \$300 per unit per year for new construction developments for families and developments involving rehabilitation. If the reserve deposits specified in Capital Needs Assessment exceed the foregoing minimum reserve deposits following rehabilitation, then the deposits to the reserved for replacement shall be the higher amount specified in the Capital Needs Assessment. Notwithstanding the foregoing, if HUD or RD finances the first mortgage, the annual deposit to the Reserves for Replacement may be determined in accordance with HUD or RD policies or regulations. Deposits to the Reserves for Replacement will be regulated and monitored in accordance with the Tax Credit Regulatory Agreement.
- g. Maximum Rents: Pro forma Rents for Application purposes may not exceed the lowest of market rents evidenced in the market study, HUD's most recently published fair market rents (FMR) or the maximum rent permitted by Section 42 or any subsidy program which benefits the project. Actual rents may not exceed the maximum rent permitted by Section 42 of the Code.
- h. Minimum Operating and Maintenance Expenses: Minimum operating and maintenance expenses shall not be less than \$3,600 per unit per year. For an existing project undergoing rehabilitation the Minimum Operating and Maintenance Expenses shall be increased if, following a review of the prior three years of audits of the project's operations, the expenses exceed the minimums and if the rehab to be completed will not reduce the historic expenses. SRO Projects shall evidence appropriate subsidies to sustain the proposed operating budget.
- i. Minimum Reserve Balance: Minimum operating reserves should equal six months of projected operating expenses. Initial operating reserves of up to \$2,000 per unit per year may be funded from project development sources. Initial operating reserves exceeding \$2,000 per unit must be funded either with deferred developer fees, unsecured debt or soft cash flow debt.

**J. Capital Needs Assessment:** A Capital Needs Assessment by an architect or engineer, dated no earlier than 90 days before the Application deadline, is required for all existing projects. Should the Capital Needs Assessment identify the presence of hazard material, a hazard mitigation plan MUST be submitted in the application and the costs of mitigation included in the project's budget.

**K. Receipt of Cost Certifications and GAAP Audits:** Prior to mailing a Form 8609 for a project, the LHC or the Corporation must receive (i) an unqualified GAAP Audit as required by Treasury Regulation 1.42-17(a)(5), (ii) a Financing

Certification, (iii) a Syndication Certification and (iv) a proposed baseline operating budget (including trending assumptions) as of the date sustaining occupancy is to be attained. The GAAP audit and the Financing Certification must certify all sources and uses of funds through the Placed in Service Date of a project and must clearly distinguish and show (a) costs that may be included in eligible and qualified basis and (b) costs which may not be included in eligible and qualified basis.

**L. Subsidy Layering Review:** A subsidy layering review will be conducted in connection with any project receiving Governmental Assistance from HUD or RD in addition to housing tax credits for each of acquisition, rehabilitation and new construction uses. Note: By letter dated December 13, 2010 from Milan M. Ozdinec, Deputy Assistant Secretary, Office of Public Housing and Voucher Programs, the Corporation is authorized to perform SLRs on HUD's behalf.

**M. Processing Projects With Federal Funds or Insurance:** Projects receiving Federal Funds or insurance under a Federal program will be reserved credits only after the federal agency advises the LHC or the Corporation in writing that the federal agency providing such funds or insurance has no objections to the reservation of tax credits to the Project.

**N. Financing Commitments:** Fully executed Financing Commitments including terms of the commitments for all sources of funds must be included with the Application.

**O. Legal Description of Project Property Site:**

Projects in Urban and Rural Areas: The legal description and cost of the portion of a site on which the Project is located must be submitted in the Application involving a Project in Urban and Rural Areas. The legal description shall include parish, municipality, subdivision, tracts, section, ranges, boundaries, directions and measurements.

Scattered Site Projects in Urban Areas: A Scattered Site Project located in an urban area may identify only the street addresses for each separate site.

Consistency of Project Description: The legal description and/or street addresses of the Property Site included with the Application must be consistent with all subsequent documents submitted to the Corporation during the development and operation of the Project. If a material inconsistency in the legal description of the Project Site between the Application Deadline and any reservation or allocation of credits is identified and such inconsistency constitutes a Site Change, the tax credits reserved and/or allocated to the Project will be subject to rescission and/or recapture.

Additional Sites: No additional sites may be included in a Scattered Site Project following the Application Deadline unless the Project is located in a Redevelopment Area and the local governmental unit requests the addition of new sites within the Redevelopment Area; however, no additional sites may be included in a Project following carryover allocation.

Map Requirement: A map identifying the Project Site must be included with all legal descriptions and/or street addresses. The map must show parish, municipality, subdivision, tracts, section, ranges, boundaries, directions, and measurements.

Project Directions: Directions to the project site from the nearest major highway must be included in the application.

## **P. Project Information:**

1. Certification of Construction Documents: At least 45 days prior to commencement of construction or Substantial Rehabilitation of a project, the owner must submit certification of architect that (i) the unit configuration by bedroom size and square footage by bedroom size is consistent with the configuration in the project's Application, (ii) the project as completed complies with applicable Fair Housing Accessibility Guidelines and Uniform Federal Accessibility Standards, and as required by or subject to bonus points awarded in this QAP and (iii) if HOME or other federal funds have been invested, the requirements of Section 504 of the Rehabilitation Act of 1973 are satisfied. In addition to the Certifications shown in Exhibit A, Attachments IV and V, the Applicant shall submit Architect's Certifications at each of the following three (3) stages:
  - I. At the time the application is submitted. The certification should outline the proposed design and construction commitments.
  - II. At the time of Construction/Bid Documents are completed. The certification should verify that all the commitments outlined in the QAP and also described in the first Architect's Certification have been met.
  - III. When construction is completed. The certification should verify that the project was built per QAP commitments, as well as previous Architect's Certifications.

The Developer must notify the Corporation Construction Department when a notice-to proceed has been issued by the Developer to the Construction Contractor.
2. Signage on Property: Developers will be required to display a sign upon start of construction through completion on the project site stating that the project is being financed by Louisiana Housing Corporation.
3. Staff Visits: The Corporation will make a minimum of three (3) site visits to projects before the issuance of 8609s. This is to ensure that the project is being constructed as stated in the application and in accordance with the QAP. The LHC reserves the right to add additional site visits if deemed necessary.
4. Construction Progress/Schedule Form: Upon receiving a Low Income Housing Tax Credit Award, applicants are required to submit (i) a complete and updated AMEC Model as of the Closing Date and as of the placed in service date of the project along with PIS documents and (ii) to submit on the first business day of each month electronically a Construction Progress/Schedule Form including AIA documents. Failure to submit or the submission of erroneous information may result in the forfeiture of the tax credit allocation.

## **Q. Market Study and Appraisals**

### **LHC Evaluation**

Market Studies will be ordered by LHC from approved disinterested market analysts to perform market studies. The any approved market analysts must be a member of the National Council of Affordable Housing Market Analyst (NCAHMA) or a similar professional organization. The Corporation will limit the number of projects awarded in the same application round to those that it determines can be supported in the market. The Corporation is not bound by the conclusions or recommendations of the market analysts(s) and will use its discretion in evaluating the criteria listed in this subsection. In exercising its discretion, the Corporation will comply with the requirements of Section 42(m)(1)(A)(iv) if in the exercise of such discretion results in the allocation of any housing credit dollar amount which is not made in accordance with the established priorities and selection criteria of the **Special Industrial Development QAP**. The Corporation will make every effort to minimize costliness of the market studies with emphasis on time efficiency.

The Corporation is relying on the information prepared by third party market analysts and is to be held harmless by the action or inactions of the market analysts or their staffs. If there is conflicting information in studies supplied in the same area, a supplemental study may be required by an approved market analyst of the Corporation's choosing during the challenge period. The applicant(s) requiring the supplemental study will be responsible for the cost of the supplemental study.

The Corporation will post its current Housing Needs Assessment to its website at [www.lhc.la.gov](http://www.lhc.la.gov). Developers are encouraged to utilize this information in evaluating prospective application projects and sites. All market analysts must consider this document in preparing individual market studies.

The Corporation has the right to request additional or further analysis based upon market anomalies. The cost of any additional market studies to reconcile data will be at the developer's expense. Prior to ordering the additional market study, the Corporation will notify the developer and of the cost involved.

The Corporation will not allow a project to restructure (i.e. change the bedroom configuration, rent structure, elderly to family, etc) during the competitive cycle, once the application has been submitted.

Market studies are deemed current for a period of 6-months from date of completion.

### **Project Evaluation and Market Study Information**

Market studies must establish the housing needs of low-income individuals in the area to be served by a project and evidence the housing needs of Targeted Households, Large Families, tenants with children, Special Needs Households (if project serves Special Needs Households) in the Market Area and the unmet needs of such individuals and families following the construction and/or development of the Project.

Except as permitted by Section 42(g)(9) of the Code, projects may not give preferences to potential tenants based upon 1) residing in the jurisdiction of a particular government, 2) having a particular disability or 3) being a part of a specific occupational group.

The following five (5) criteria are **threshold requirements** for inclusion in all market studies:

- i. The project's capture rate,
- ii. The project's absorption rate,
- iii. The vacancy rate at comparable properties (what qualifies as a comparable will vary based on the circumstances), and
- iv. The project's effect on existing or awarded properties with 9% tax credits or the LHC or the Corporation loans.
- v. The project's ability to meet housing demand established in the Corporation's Housing Needs Assessment

The Corporation is not bound by the conclusions or recommendations of the market analyst(s) and will use its discretion in evaluating the analysis.

#### **Content of Market Study**

In addition to threshold requirements, the Market Study must provide information under noted boldfaced captions with tabs and an index to locate the following within the Market Study:

1. **Executive Summary:** A statement summarizing the findings of the market study.
2. **Credentials:** Statement of experience and competence of the market analyst.
3. **Independence and No Identity of Interest:** A certification that the market analyst is independent and has no identity of interest with the developer of the proposed or existing project and that the market analyst was retained to perform the market study without conditions, including compensation based upon finding market need.
4. **Property Site:** A description of the proposed property site along with a map site identifying area of the Project. Color photographs of the site and neighborhood, a map clearly identifying the location of the project and the closest transportation linkages, shopping, schools, medical services, public transportation, places of worship and other services such as libraries, community centers, banks, etc.
5. **Demographic Analysis:** Analysis of the Income Qualified Renter Demand in the market area.
6. **Market Area:** Geographic definition and analysis of the primary and secondary market area which Project serves including a discussion of the Local/community perspective of rental housing market and housing alternatives
7. **Operations and Development Comparisons:** A description of comparable developments in the market area served by Project, including the following information or analysis, labeled accordingly:

- a. Subsidy whether or not each comparable development is subsidized.
  - b. Rent Levels and Vacancy: a description of rent levels and vacancy rates of comparable properties, including subsidized and non-subsidized developments in market area served by Project.
  - c. Operating Comparisons: analysis of operating expenses using data from comparable properties in the market area served by Project, if available, or, if not available, using IREM or ULI data.
  - d. Project Operating Statement: projected operating funds and expenses of the subject Project.
  - e. Public Housing: a summary of (i) the number and quality of units in developments owned by the local public housing authority and a statement concerning vacancy rates and waiting lists and (ii) the number of vouchers administered by the local public housing authority and the estimate of the households on the waiting list for vouchers.
  - f. Absorption Analysis: expected market absorption of the proposed rental housing units in the subject Project each month following certificate of occupancy.
  - g. Market Impact Statement: A description of the impact of the proposed housing units in the market area, including the impact of the proposed housing units on tax credit and other existing affordable rental housing in market areas.
8. **Federal Housing Agency Coordination**: The Independent Qualified Housing Consultant must identify all multifamily housing developments in the primary market area of the proposed project, which are financed by HUD, RD and the LHC or the Corporation. The consultant must provide a table evidencing the following information for each such project:
- a. Name of Project
  - b. Number of Units in Project
  - c. Type of Federal loan or credit enhancement, e.g., 515 loan, 202, 221(d)(4), etc.
  - d. Average vacancy rate in comparable projects in prior twelve-month period.
9. **Pipeline Analysis**: Certification of the number of building and demolition permits (or its equivalent) for multifamily housing units issued over the preceding 24 months by the local jurisdiction within which the project is located and that any planned or construction in progress will not adversely affect the market's absorption of the units in the project.
10. **Certification of Demand**: A Certification of Demand for New Units and Conversion executed by the Qualified Housing Consultant.

11. **Statement of Housing Needs of Low-Income Individuals and Large Family Households:** A statement of housing needs of Large Families and tenant populations with children in the primary market area and the extent there will be unmet needs for such individuals and families following construction/rehab of the Project.
12. **Location Characteristics:** Part II of the Selection Criteria contains a number of positive points and negative points relating to the location of a Project. Each Market Study must include a separate section that evidences whether the Project satisfies the positive points listed or incurs the negative points listed. The decision of the market analyst on location characteristics (neighborhood features) will be final.
13. **Appraisals:** For rehabilitation projects an Appraisal must be submitted establishing the fair market value of any existing property when the purchase price of such property exceeds \$500,000 or the Acquisition Costs of buildings are included in Eligible Basis. Appraisals must be current and cannot be dated prior to October 31, 2012 to be deemed current and acceptable.
14. **Sources for Data:** Market analysts must clearly define all sources for data.
15. Information contained in the report must adhere to standard FHA/HUD Guide on Market Studies.

### **III. Post-Award Processes & Requirements**

#### **A. Carryover Allocation of Tax Credits**

Projects may qualify for a carry-forward allocation of tax credits under the Ten Percent (10%) Basis Exception within twelve (12) months of the date of the allocation. A Taxpayer/Owner must deliver to the Corporation all carry forward allocation documentation, including an appropriate attorney or CPA opinion in the format prescribed by the LHC or the Corporation, on or before December 13, 2013 at 4:30 PM CT. Projects that have not met the 10% expenditure test as of December 13, 2013 will receive a "Carryover Allocation Agreement" in lieu of the "Carryover Allocation Certification. Such projects shall have until June 15<sup>th</sup> of the following year to provide the necessary documentation evidencing their 10% basis expenditure test has been met.

Each Carryover Allocation Certification will be done on a Project-Wide basis with a designation stating the appropriate credit ceiling from which the allocation is made.

#### **B. Placed in Service and Annual Audit**

1. **Placed in Service Audit:** The Financing Certification, Syndication Cost Certification, GAAP Audit and Baseline Operating Budget must be received by not later than the April 1st of the calendar year following the year in which the Project is placed in service. The GAAP audit must specifically identify any unexpended contingency construction reserve and any operating/rent up reserve. The carry forward allocation of credits is subject to recapture if required certifications, audit and Baseline Operating Budget are not received by such date. The Taxpayer/Owner may request only a one-year extension for submission of the

certificates and audits from the Corporation and only if the Taxpayer has elected to begin the first year of the credit period following the year in which the Project is placed in service. Payment of developer fees to CHDO or non-profit partners partnering with a for-profit as a co-developer must be shown as fully paid in the placed in service audit. CHDOs and non-profit partners must receive not less than twenty percent (20%) of the Developer Fee for transactions receiving tax credits.

2. **Annual Audit:** Following the placed in service date of a project, Taxpayers must submit a completed AMEC Model and annual electronic audits to the Corporation in a format prescribed in the LHC's or the Corporation's audit instructions and using the HUD Chart of Accounts. Taxpayers will be required to submit a fiscal year budget in advance for the project and quarterly unaudited statements to the Corporation. All cash distributions and withdrawals from operating reserves and/or reserves for replacement must be explained in footnotes to the audit and all payments to Related Persons and contractors with an identity of interests to the Taxpayer/Owner must be identified. Annual budgets approved by the Taxpayer and Management Company must be received at least thirty (30) days in advance of the fiscal year. Annual audits must be received by not later than April 1<sup>st</sup> of each calendar year if the fiscal year is a calendar year or not later than ninety (90) days following the end of a fiscal year that is not a calendar year. All AMEC models and audits must be submitted to:

[LIHTCAnnualAudits@lhc.la.gov](mailto:LIHTCAnnualAudits@lhc.la.gov)

3. The Management Company of record for the project will be required to provide to the Corporation, electronically, through a Corporation approved medium any changes in contact information as well as but not limited to information on number of vacancies and unit mix.

#### **C. Compliance Training Requirements**

Taxpayer/Owners will be required to evidence to the Corporation at least ninety (90) days prior to a Project's Placed In Service Date that the proposed on-site manager or the Management Company has completed compliance training within the prior (12) twelve months in a program deemed acceptable to the Corporation in accordance with industry recognized training standards. No Form 8609 will be issued without evidence of such training.

#### **D. Fees to CHDO or Non-profit General Partner**

Prior to delivery of Form 8609 a for-profit co-general partner with a CHDO or non-profit general partner must certify payment of the fee paid to the CHDO or non-profit general partner is consistent with Development Services Agreement submitted with the Tax Credit Application. Developer Fees to CHDOs or non-profit general partners in connection with projects receiving an allocation must not be less than twenty percent (20%) of the total Developer Fees. Fees paid to CHDOs or non-profits, up to 20% of the developer's fee, will not be included in the developer's maximum profit cap. Therefore the total developer's fee may be up to 18%.

#### **E. Notification of Material Changes**

It is the applicant's responsibility to notify the Corporation, in writing via certified US Mail, of any occurrence of a material change in a project. Such notifications must be sent to: Louisiana Housing Corporation; Attn: Tax Credit Manager, 2415 Quail Drive, Baton

Page 31 of 71

PRELIMINARY DRAFT QAP AS OF 04/29/2013

Rouge, LA 70808. Notwithstanding any provision of any other program requirements, no project that the LHC or the Corporation determines to have materially changed shall be deemed feasible or viable. **Louisiana Housing Corporation Board of Directors approval is required on all requests seeking material changes in a project.** A material change will be governed by Reasonable Man Standard.

Material Changes After Final Application Deadline: A material change occurring after the Final Application Deadline can result in cancellation of either the tax credit reservation or the carry-forward allocation of tax credits.

#### **F. Notification of Reprocessing Change**

It is the applicant's responsibility to notify the Corporation, in writing, of any occurrence of a reprocessing change in a Project. A reprocessing change may occur prior to delivery of Form 8609 to a Project; however, Form 8609 will be withheld until the Taxpayer submits a revised Application and Reprocessing Fee. Following receipt of the revised Application and reprocessing fee, the Corporation will complete a new legal, feasibility and viability review in order to determine any adjustment of maximum qualified basis and/or the tax credits to be allocated to the Project. Projects subject to reprocessing are at risk of credit loss if such Project fails to satisfy the minimum score or if other projects on the waiting list which are not reserved credits have higher scores.

#### **G. Site Change**

Any Site Change will automatically cancel any reservation, commitment or allocation of tax credits to such Project.

#### **H. Deviations from Selection Criteria in Filed Application**

When an Applicant requests a deviation from the selection criteria in the filed application and the deviation is not a Material Change as defined by the QAP or a change that a Reasonable Man would determine to materially change the project, the following penalty shall apply:

The developer shall select a substitute benefit or enhancement identified in the selection criteria in the QAP of equal or greater point value, Corporation staff shall consider approval of the request and require the replacement benefit to the project be incorporated into the project, thereby enhancing the project by the same point value. There shall be no additional penalty to the developer.

If the developer or the Corporation determines there is no appropriate substitute project enhancement of equal or greater point value, the developer and all affiliates shall be subject to penalty points in the applicant's next tax credit funding round equal to the point value of the representation that cannot be satisfied.

When an Applicant requests a deviation from the selection criteria in the filed application and the deviation is a Material Change as defined by the QAP or by the Reasonable Man's Standard, the following penalties shall apply (e.g. Applicant got funded when someone else would have gotten funded).

1. The developer shall select a substitute benefit or enhancement in the QAP of equal or greater point value, the Corporation's Board of Directors may approve

Page 32 of 71

PRELIMINARY DRAFT QAP AS OF 04/29/2013

the request and require the replacement benefit to the project be incorporated into the project, thereby enhancing the project by the same point value. There shall be no additional penalty to the developer.

2. If the developer does not select a substitute benefit or enhancement in the QAP of equal or greater point value:
  - a. The developer may surrender its allocation and there shall be no additional penalty to the developer.
  - b. If the developer does not surrender the allocation and no substitute selection criteria is selected, the developer and all affiliates shall be subject to penalty points in a single application in the applicant's next tax credit funding round equal to three times the point value of the selection criteria that cannot be satisfied.

Applicants requesting more than one (1) Material Change relating to selection criteria in a single funding cycle shall be subject to a one year suspension from the applicant's next tax credit funding round.

Any Material Change requested due to the reliance on a representation made by a Governmental Corporation remains at the discretion of the Board and the penalties, if any, to be assessed by the Board. Such reliance will not permit a site change. Any site change will automatically cancel any reservation, commitment or allocation of tax credits to such project.

The Board may waive penalties in extraordinary circumstances.

Notwithstanding the above, the Applicant/Developer must notify the Corporation of any changes to the project, including but not limited to unit mix and development type. It is the Applicant's responsibility to provide required public notification of any such changes.

#### **I. Re-Allocation of Recaptured Tax Credits Based Upon Housing Discrimination**

Tax Credits which are recaptured from a Taxpayer will be reserved automatically to a project in an amount approved in a reprocessing of the Project Application upon receipt of all of the following:

- (i) Evidence that HUD or the Department of Justice has determined to proceed to process a complaint of housing discrimination because such a complaint has merit based upon evidence contained or certified in such complaint,
- (ii) A revised Application,
- (iii) An opinion of tax counsel to the Taxpayer that the project remains qualified for a Tax Credit reservation, and
- (iv) A report that the project remains feasible and viable at the time of the reallocation, and;
- (v) If additional credits are available, and additional soft costs have been incurred in the defense of housing discrimination, these costs may be included in the feasibility/viability analysis in an amount not to exceed the

actual cost and the amount that the Corporation has currently available and subject to underwriter and Corporation review.

**J. Reasonable Professional Fees and Other Soft Costs**

The Corporation retains the right to determine safe harbors for reasonable professional fees and other soft costs that may be included in a project's development cost budget unless otherwise specified in the QAP. Absent compelling reasons that professional fees and other costs should exceed such safe harbors, any professional fee or soft cost in excess of Corporation approved safe harbors will either be excluded from the development cost budget in determining the gap for tax credit underwriting purposes or will be deemed to be paid through a deferred developer fee.

**K. Quality Production**

The Corporation will require each Taxpayer's Architect to certify that the design and materials used to submit the Estimate and Certificate of Costs with the application satisfy the State's new building code.

**L. Extended Use Agreement, Compliance Monitoring and Other Requirements**

The Corporation has approved the form of a Tax Credit Regulatory Agreement to be dated as of December 31 of the calendar year immediately preceding the first year of the Credit Period, pursuant to which the Corporation requires the Applicant/Taxpayer to fulfill the commitments and representations made in this Application. An Extended Use Agreement in accordance with the Code and Tax Regulations has been incorporated into the Tax Credit Regulatory Agreement. Upon execution, the Tax Credit Regulatory Agreement must be filed in the mortgage/conveyance records of the Parish within which the Project is located. A separate Compliance Monitoring Agreement also has been approved by the Corporation and must be executed and returned to the Corporation when the Project is placed in service and prior to the Corporation providing Form 8609. The Corporation may impose reporting and record keeping requirements, nondiscrimination regulations, and any other special conditions considered desirable by the Corporation or the U.S. Department of Treasury.

**REDEVELOPMENT PROPERTIES:** A Project located in a Redevelopment Area.

**RELATED PERSON:** Any person bearing a relationship to such person as specified in sections 267(b) or 707(b)(1) of the Code, or if the persons for whom a relationship is being determined are engaged in trades or businesses under common control (within the meaning of subsections (a) and (b) of section 52 of the Code.

**RENT UP/LEASE COSTS:** Costs, such as advertising, sample unit costs, on site rental managers and staff and initial rental costs, necessary to fully rent a low-income building which may be amortized over the period necessary to rent all units, (e.g. 24 or 36 months).

**REPROCESSING CHANGE:** Any change other than a material change relating to (i) adjustments of sources or uses of funds greater 5% but less than 10%, (ii) increases or decreases in the number of units, unit mix, square footage, etc. greater than 5% but less than 10%, (iii) increases or decreases in the number of buildings greater than 5% but less than 10%, (iv) an applicant's inability to comply with the project schedule proposed in the Application by more than three months in any element of the Project and (v) any increase in the interest rate of long term debt required to complete the Project.

**REPROCESSING FEE:** The fee by that name calculated in accordance with the Non-Refundable Fee Schedule.

**REQUIRED EXHIBITS:** The Exhibits and/or Appendices specified as Required Exhibits in the Application and does not include the Exhibits and/or Appendices to support Selection Criteria items.

**REQUIRED RESERVE DEPOSIT:** For new construction, assume \$250 per unit per year. For projects other than new construction assume \$300 per unit per year or the amount specified in

Capital Needs Assessment required to be deposited to Reserves for Replacement. Notwithstanding the foregoing, if HUD and RD finance the first mortgage, the annual deposit to the Reserves for Replacement may be determined in accordance with HUD or RD policies or regulations. Deposits to the Reserves for Replacement will be regulated and monitored in accordance with the Tax Credit Regulatory Agreement.

**RESERVATION:** An agreement on the part of the Corporation to allocate tax credits at a future date to a Taxpayer, subject to the Taxpayer satisfying the elements of the Qualified Allocation Plan and all conditions established by the Corporation with respect to the submission of all documents and information required by the Corporation prior to the delivery of Form 8609 to the Taxpayer.

**RESERVES FOR REPLACEMENT:** A special reserve to be established for each project from which the costs of replacement and repair of the project is to be funded.

**RESIDENT MANAGER UNIT:** The unit occupied by a full-time resident manager in the project.

**REVITALIZATION:** To impart new life or vigor for the purpose of redeveloping an area.

**RURAL AREA PROJECT:** Any area outside the corporate limits of the following 10 Louisiana cities: New Orleans, Baton Rouge, Shreveport, Lafayette, Lake Charles, Kenner, Bossier City, Monroe, Alexandria, and Houma.

**(RURAL PROJECT:** Omitted)

**SCATTERED SITE PROJECT:** A project consisting of buildings containing housing units in which all such units are rent restricted provided that each building is located on a single lot which is subdivided by the local jurisdiction and for which an option to purchase separately may be executed and further provided that a single building may not contain more than two (2) housing units. Evidence of a Scattered Site Project must consist of a subdivision plot or proposed subdivision plot evidencing separate lots for each building. If a Scattered Site Project is located on non-contiguous land, no points will be awarded for Community Facilities.

**SERVICES:** Benefits made available to the tenants of a Project.

**SINGLE PARENT HOUSEHOLD:** A household with children in which the parent or guardian of such children resides in the household and in which no other adult resides in such household at initial occupancy.

**SITE CHANGE:** Except with respect to the substitution of lots in a scattered site project, any change resulting in the change of the project's site location to a different tract of land. Any such change will automatically cancel any reservation, commitment or allocation of tax credits to such Project.

**SMALL PROJECT:** A project in which the total number of units do not exceed thirty (30) units.

**SMO:** Statewide Management Organization designated by DHH for the management of supportive services for Permanent Supportive Housing.

**SPECIAL NEEDS HOUSEHOLD:** A household which constitutes a Single Parent Household, Large Family Household, a Foster Parent Household, an Elderly Household, a Disabled Household or a Homeless Household.

**SPECIAL NEEDS PROJECTS:** A Project in which at least twenty-five percent (25%) of the units are set aside for Special Needs Households in accordance with the Tax Credit Regulatory Agreement; provided, however, that a Special Needs Project constituting an Elderly Project must satisfy the requirements of the Fair Housing Act.

**SPONSOR:** The person(s) owning one hundred percent (100%) of the interests in and who controls the Managing General Partner or Managing Member. A non-profit organization may sponsor another non-profit organization or a for-profit subsidiary entity only if such non-profit sponsor is legally entitled to designate all board members of the sponsored non-profit and/or owns 100% of the stock or ownership interest in the subsidiary as evidenced in the articles of incorporation of the sponsored non-profit or the subsidiary's articles of organization. As this paragraph pertains to PHA's, the PHA must be receiving an Annual Contribution Contract from HUD.

**SRO:** A Project of single room occupancy providing Supportive Services in dwelling units that do not contain bathrooms or kitchen facilities and are appropriate for use as Supportive Housing.

**STAND-ALONE NON-PROFIT:** A 501(c)(3) or 501(c)(4) organization or for-profit wholly-owned subsidiary of such organization which serves as the sole general partner of a limited partnership owning a project or the sole and exclusive manager of an LLC which owns the project. The managing agreement must be submitted with Application for LLC-owned projects.

**STATE ASSISTED BUILDING:** Any building which is substantially assisted, financed or operated under any State law similar in purpose to any of the laws referred to in the definition of Federally-Assisted Building.

**STORM WINDOWS:** double paned, double insulated windows.

**STUCCO:** A durable finish for exterior walls, usually composed of cement, sand, and lime, and applied while wet.

**SUBSIDIARY:** Any corporation, entity, partnership, venture, syndicate, or arrangement in which a local housing authority receiving an Annual Contribution Contract shall participate by holding a 100% ownership interest or participating in its governance, in which commissioners, officers, employees, and agents of such authority constitute a majority of the governing body of such entity.

**SUBSTANDARD:** Any housing unit which does not satisfy the Habitability Standards and requires Substantial Rehabilitation.

**SUBSTANTIAL REHABILITATION:** Any rehabilitation in which Hard Costs equal or exceed \$20,000 per unit.

**SUPPORTIVE HOUSING:** Housing designed to meet the special needs of the targeted special needs households occupying the housing and providing Supportive Services targeted to such special needs households.

**SUPPORTIVE SERVICES FOR PSH:** The range of services tailored to the needs of the category or categories of persons with special needs occupying housing in which such services are provided. The intensity of services delivered may vary based on the target population and individual needs but, for typical individuals would include an intensive service mix covering these types of services:

- Outreach and engagement
- Support in accessing housing (including assistance with applications, arranging for utilities and arranging for relocation)
- Crisis prevention and intervention
- Support in acquiring skills and knowledge for community living including acquiring benefits and money management
- Providing opportunities for social support and peer support
- Advocacy, clinical case management, clinical interventions
- Facilitating arrangement for child care
- Service Coordination including services of a tenant services liaison
- Arranging access for acute and emergency care
- Mental health and substance abuse treatment
- Linkage to education and employment
- Arranging access to transportation and

**SUPPORTIVE SERVICES FOR SPECIAL HOUSEHOLDS TYPES OTHER THAN PSH:** The range of services tailored to the needs of the category or categories of persons with special needs occupying housing in which such services are provided. The costs of Supportive Services must be specified in the Application and separately identified as an expense item in the operating pro-forma or must be provided by a governmental or non-profit Corporation which evidences in writing a commitment to provide supportive services to special needs households in the Project without charge. For purposes of this definition, Supportive Services are presumed to be provided if such services qualify under HUD Regulations and if HUD informs the Corporation in writing that services evidenced in the Application qualify under HUD regulations. Supportive Services must be provided for a period commencing at the placed in service date of a project and ending not earlier than the end of the tax credit compliance period for a project. A description of Supportive Services must contain minimum supportive services required under HUD regulations for such special needs group and may include:

- Daycare
- After-school programs
- Financial and budgeting seminars
- Job training
- Homebuyer training and seminars
- Supervised recreational activities for children
- Transportation to seminars
- Preventive health care programs/health screening on a regular basis

- Continuing education
- Information and senior counseling
- Homemaker/housekeeping
- Meals
- 24 hour security/neighborhood watch programs
- Community pets (cost of care provided by project)
- Community gardening
- Weekly exercise class

- Grandparent mentoring programs
- Weekly "day trips" to shopping centers/specialty shopping
- Reading service and library
- Social and recreational programs planned and overseen by the project manager. (Monthly birthday parties/holiday dinners and/or parties/potluck dinners, movie nights, bingo)

**SURPLUS CASH:** Any cash remaining at the end of each fiscal year of the Owner after:

1. the payment of : (i) all sums due or currently required to be paid under the terms of (a) the first mortgage and/or the note secured thereby ("First Mortgage") and (b) if applicable, subordinate mortgages with cash flow priority ("Priority Cash Flow Indebtedness") approval by the LHC or the Corporation; (ii) all amounts required to be deposited in the reserve fund for replacements; (iii) all other obligations of the mortgaged property other than the First Mortgage and Priority Cash Flow Indebtedness, unless funds for payment are set aside or deferment of payment has been approved by the LHC or the Corporation; (iv) Deferred Developer Fee, and (v) the Capital Recovery Payments; and
2. the segregation of: (i) an amount equal to the aggregate of all special funds required to be maintained by the project; and (ii) all tenant security deposits held.

**SYNDICATION:** The process of acquiring an ownership interest in the Taxpayer by the Syndicator and investing equity in the Taxpayer by the Syndicator.

**SYNDICATION COSTS:** Costs which are not includable in the tax credit basis for either the low income housing credit or the rehabilitation tax credit nor are allowable for depreciation purposes and which are the costs of syndicating a partnership and its related investment units.

**SYNDICATION COST CERTIFICATION:** A certification by the Taxpayer and Syndicator on the form provided by the Corporation which specified among other information costs or items incurred for the packaging of the investment units and the promotion as an investment, including any marketing of the actual units, the production of any marketing memorandums or promotional materials, the mobilization of any broker/dealers who will sell the investment units and the actual sales commissions paid to the sellers of the partnership (whether they are unrelated third parties or the individuals who promoted the investment), including due diligence related aspects of the syndication and legal costs associated with the offering, opinions, inquiries as to certain aspects of the syndication, etc.

**SYNDICATION PROCEEDS:** The funds generated by the Syndicator from investors seeking to acquire tax benefits in Projects through the Syndicator.

**SYNDICATOR:** The person or agent involved in directly providing equity to the Taxpayer or the person which owns or controls the person providing such equity Syndication Costs.

**TARGETED HOUSEHOLDS:** The households identified in a Market Study for which the Project will provide housing.

**TARGETED PARISHES:** Parish designated as such by the Governor's Office.

**TAX CREDIT REGULATORY AGREEMENT:** The form of Tax Credit Regulatory Agreement provided by the Corporation pursuant to which the requirements of Section 42 of the Code are

satisfied and pursuant to which the Corporation enforces the commitments and representations made by the Taxpayer in the Application.

**TAXPAYER:** The legal entity which will own and operate a project and which will be identified on Form 8609 as the Taxpayer.

**TAXPAYER CAPITAL:** Amounts other than Gross Equity as evidenced in the audit of the Taxpayer as of the Placed-in-Service Date of the Project as paid-in capital.

**TOTAL DEVELOPMENT COSTS:** Development Costs plus the cost of land.

**ULI:** Urban Land Institute.

**UNIT:** Any accommodation containing separate and complete facilities for living, sleeping, eating, cooking and sanitation. Such accommodations may be served by centrally located equipment, such as air conditioning and heating.

**URBAN REDEVELOPMENT AREA:** An area or areas (i) which are within a city of 20,000 or more but which are outside of a Qualified Census Tract, (ii) which do not exceed in the aggregate 5% of the geographic area of the city and, (iii) which are specified by a local governmental unit as requiring redevelopment or revitalization pursuant to a Concerted Community Revitalization Plan.

**URBAN REDEVELOPMENT PROPERTY:** A project which is located within an Urban Redevelopment Area.

**VACANT UNIT:** A structure or unit which is certified by the Developer/Owner and the local jurisdiction to have not been occupied for a period of at least 90 days and which is reasonably expected to remain vacant for an indefinite duration because the unit is substandard.

**VASH VOUCHER:** Veterans Affairs Supportive Housing voucher as administered by the Veterans Administration and made available through HUD Public Housing Authorities.

DRAFT

## Exhibit A-Construction and Design Standards

### GENERAL

These standards establish both general and minimum criteria for the design and construction of housing developments that receive financing assistance from the Louisiana Housing Corporation under this QAP.

The Corporation requires full conformance with current federal, state and locally adopted building, plumbing, electrical, fire protection, and engineering codes and standards. The Corporation also requires full conformance with all federal, state and local regulations regarding zoning and subdivisions, floodplains, wetlands and other environmental concerns.

The Corporation recognizes and endorses the Federal *Energy Star Programs*.<sup>1</sup> The Corporation also encourages the incorporation of *Universal Design* and *Green Building* design initiatives into the project.<sup>2</sup> The LHC's or the Corporation's standards will complement or supplement national, state or local regulations. In any situation where conflicting standards exist, the more stringent standard will apply.

All construction related contracts shall be in American Institute of Architects (AIA) formats, including the contract between the Applicant and Architect and/or other consulting professionals, the Applicant and General Contractor, and the contracts between the General Contractor and all subcontractors.

All drawings and specifications shall be completed utilizing these standards, and stamped by a licensed architect or professional engineer registered with the appropriate State of Louisiana Licensing Board. All other professionals involved with the project will be responsible to the primary "professional of record." These professionals may include architects, land surveyors, and civil, structural, mechanical, and electrical engineers.

All design and construction shall be done in accordance with the most current edition of the following standards and codes as they may apply:

1. Uniform Federal Accessibility Standards and Section 504 requirements.
2. State of Louisiana Fire Code including various National Fire Protection Association (NFPA, NFPA 101) Codes.
3. State of Louisiana Plumbing and Mechanical Codes.
4. State of Louisiana, Division of Water Supply and Pollution Control, Standards of Design for Sewerage and Water Treatment Systems, Design Standards for Small Public Drinking Water Systems, Department of Environmental Services, Water Well Board Standards.
5. State of Louisiana Energy Code.
6. International Building Code (IBC) current edition as adopted by the State of Louisiana.
7. HUD 24 CFR Part 5 Uniform Physical Conditions Standards.
8. HUD Housing Quality Standards (24 CFR Part 982.401).

## I. Construction Compliance and Monitoring Criteria for Syndicated Tax Credit Transactions

### **Construction documents**

Not more than 45 days prior to the commencement of construction the applicant must submit to the Corporation the following:

- Complete plans and specifications in electronic PDF format.

- Construction contract, complete with timeline and schedule of values. The Corporation recommends the use of AIA Document 101.

- Certification by Architect of plans and specifications.

The Corporation shall review the plans and specifications for compliance with minimum threshold requirements selection criteria requirements and applicable minimum building codes. Within 30 days of receipt, the Corporation will notify developer if there are of any concerns or the need for clarity. Notwithstanding the Corporation review, the applicant remains responsible and accountable for compliance with applicable IRS and LHC rules and regulations.

### **Building permits**

Copies of all building permits shall be submitted to the Corporation when available. Should building permits not be available at the start of construction the applicant may submit a "will issue" letter from the local jurisdiction stating that building permits will be issued once certain requirements are met.

### **Construction monitoring and compliance**

The Corporation will make periodic site inspections during the course of construction to verify conformance with the plans and specifications Ad selection criteria requirements.

The applicant shall submit to the Corporation the following:

Notice to Proceed

Monthly application for payment certified by the Architect and/or project manager and the applicant. The Corporation recommends the use of AIA Document G702 and G703. The submission of monthly applications for payment is intended for monitoring progress and does not require Corporation approval to release payment.

A copy of all change orders to monitor changes to the plans and specifications and the schedule of values. All change orders shall be submitted with monthly applications for payment. The Corporation recommends the use of AIA Document G701. The Corporation shall not have the authority to approve change orders, but will review change orders to ensure compliance with minimum threshold and selection criteria requirements. The Corporation shall immediately notify the applicant if it determines that the change orders submitted conflicts with the minimum threshold or selection criteria requirements.

The Corporation shall notify the applicant, in writing, of any scheduled inspections and the applicant must have a representative present during such inspection. During each scheduled inspection the Corporation shall verify compliance with the plans and specifications, minimum

threshold requirements, and selection criteria requirements. The Corporation will notify the applicant immediately upon discovery of alleged non-compliance and request that the applicant take appropriate corrective action.

***CONSTRUCTION Completion***

At construction completion the applicant shall submit the following:

- Certificate of Substantial Completion. The Corporation recommends AIA Document G704.
- Certificate of Occupancy(s) if applicable.

Prior to issuance of IRS form(s) 8609, the Corporation will perform their final inspection to verify compliance with plans and specifications, minimum threshold requirements and selection criteria requirements.

Within 30 days of receipt of the above referenced items, the Corporation shall schedule a final inspection. Should the Field Report show that the project is in compliance, the Corporation will proceed with issuance of 8609. Should the Field Report describe issue(s) of non-compliance, the Corporation will immediately notify the applicant. Once the applicant has addressed the non-compliant issue(s) and notifies the Corporation via written communication that all reported issues have been addressed, the Corporation shall issue the 8609(s).

## Exhibit B- Compliance Monitoring Agreement

### I

WHEREAS, the undersigned taxpayer-owner (the "Owner") of the qualified low-income buildings and/or project described in **Exhibit A** hereto acknowledges and agrees that, pursuant to §42(l) of the Internal Revenue Code of 1986, as amended (the "Code"), the Secretary of Treasury (the "Secretary") may require certifications concerning information in such form and such manner as the Secretary prescribes with respect to any qualified low-income building under §42 of the Code; and

### II

WHEREAS, §42 of the Code provides for a low-income housing credit (the "Housing Credit") that may be claimed as part of the general business credit under §38 of the Code; and

### III

WHEREAS, the Housing Credit determined under §42 of the Code is allowable only to the extent that the Owner receives a housing credit allocation from a housing credit Corporation such as the Louisiana Housing Corporation (the "Corporation"), unless the building is exempt from the allocation requirements by reason of §42(h)(4)(B) of the Code; and

### IV

WHEREAS, under §42(m)(1)(A) of the Code, the Housing Credit for any building is zero unless the amount was allocated pursuant to a qualified allocation plan (the "Allocation Plan") of the LHC or the Corporation; and

### V

WHEREAS, under §42(m)(1)(D) of the Code, the Housing Credit for any project qualifying under §42(h)(4) of the Code is zero unless the project satisfies the requirements for allocation of a Housing Credit under the Allocation Plan of the LHC or the Corporation; and

### VI

WHEREAS, under §42(m)(1)(B)(iii) of the Code, an allocation plan is not qualified unless it contains a procedure that the Corporation (or an agent of, or private contractor hired by, the Corporation) will follow in monitoring compliance with the provisions of §42 of the Code and notifying the Internal Revenue Service (the "IRS") of any non-compliance of which the Corporation becomes aware; and

### VII

WHEREAS, §42(m)(1)(B)(iii) of the Code is effective on January 1, 1992, and applies to all buildings placed in service for which a Housing Credit is, or has been, allowable at any time; and

### VIII

WHEREAS, final regulations relating to (i) the requirement that State allocation plans provide a procedure for the Corporation to monitor for compliance with the requirements of §42 of the Code, (ii) how the Corporation is to report any non-compliance to the IRS, and (iii) the affect of such regulations on the LHC or the Corporation, owners of buildings or projects for which a Housing Credit is claimed, and taxpayers claiming the Housing Credits are contained in Section 1.42-5 of the Treasury Regulations (the "Compliance Regulations"); and

## IX

WHEREAS, the Compliance Regulations provide that a procedure for monitoring for non-compliance under §42(m)(1)(B)(iii) must include the following:

- A. Record-keeping and Record Retention Provisions;
- B. Certification and Review Provisions;
- C. Inspection Provisions; and
- D. Notification of Non-Compliance Provisions.

## X

WHEREAS, pursuant to the Record-keeping provisions of §1.42-5(b)(1), the Corporation must require the Owner to keep records for each qualified low-income building that show for each year in the compliance period:

- (i) the total number of residential rental units in the building (including the number of bedrooms and the size in square feet of each residential rental unit);
- (ii) the percentage of residential units in the building that are low income units;
- (iii) the rent charged on each residential rental unit in the building (including any utility allowances);
- (iv) the number of occupants in each low-income unit, but only if rent is determined by the number of occupants in each unit under §42(g)(2) (as in effect before the amendments made by the Revenue Reconciliation Act of 1989;
- (v) the low-income unit vacancies in the building and information that shows when, and to whom, the next available units were rented;
- (vi) the annual income certification of each low-income tenant per unit, unless an exception to the annual re-certification is available because an entire building is occupied by low-income tenants under Section 42(g)(8)(B) of the Code;
- (vii) documentation to support each low-income tenant's income certification; for example, a copy of the tenant's federal income tax return, Forms W-2, or verifications of income from third parties such as employers or state agencies paying unemployment compensation, unless an exception to the annual re-certification is available because an entire building is occupied by low-income tenants under Section 42(g)(8)(B) of the Code. *[Tenant income is calculated in a manner consistent with the determination of annual income under §8 of the United States Housing Act of 1937 ("Section 8"), not in accordance with*

*the determination of gross income for federal income tax liability.]* In the case of a tenant receiving housing assistance payments under Section 8, the documentation requirement of this subparagraph (vii) is satisfied if the public housing authority provides a statement to the building owner that the tenant's income does not exceed the applicable income limit under Section 42(g) of the Code.

- (viii) the eligible basis and qualified basis of the building at the end of the first year of the credit period; and
- (ix) the character and use of the nonresidential portion of the building included in the building's eligible basis under §42(d) (e.g., tenant facilities that are available on a comparable basis to all tenants and for which no separate fee is charged for use of the facilities, or facilities reasonably required by the project).

## XI

WHEREAS, pursuant to the Record Retention provisions of §1.42-5(b)(2), the Corporation must require the Owner to retain records described in §1.42-5(b)(1) for at least six years after the due date (with extensions) for filing the federal income tax returns for that year; provided, however, that the records for the first year of the credit period must be retained for at least six years beyond the due date (with extensions) for filing the federal income tax return for the last year of the compliance period of the building; and

## XII

WHEREAS, pursuant to the Certification provisions of §1.42-5(c)(1) the Corporation must require the Owner to certify at least annually to the Corporation that, for the preceding 12-month period:

- (i) the project met the requirements of:
  - (a) the 20-50 test under §42(g)(1)(A) or the 40-60 test under §42(g)(1)(B), whichever minimum set-aside test was applicable to the project; and
  - (b) if applicable to the project, the 15-40 test under §42(g)(4) and 142 (d)(4)(B) for "deep rent skewed" projects;
- (ii) there was no change in the applicable fraction (as defined in §42(c)(1)(B)) of any building in the project, or that there was a change, and a description of the change;
- (iii) the Owner has received an annual income certification from each low-income tenant, and documentation to support that certification; or, in the case of a tenant receiving §8 housing assistance payments, the statement from a public housing authority described at 26 CFR 1-42-5(b)(1)(vii), unless an exception to the annual re-certification is available because an entire building is occupied by low-income tenants under Section 42(g)(8)(B) of the Code;
- (iv) each low-income unit in the project was rent-restricted under §42(g)(2);
- (v) all units in the project were for use by the general public (as defined in Section 1.42-9 of the Treasury Regulations), including the requirement that no finding of discrimination under the Fair Housing Act, 42 U.S.C. 3601-3619, occurred for the Project. A finding of discrimination includes an adverse final decision by the Secretary of the Department of

Housing and Urban Development (HUD), 24 CFR 180.680, an adverse final decision by a substantially equivalent state or local fair housing agency, 42 USC 361a(a)(1), or an adverse judgment from a federal court;

- (vi) the buildings and low-income units in the project were suitable for occupancy, taking into account local health, safety, and building codes (or other habitability standards), and the State or local government unit responsible for making local health, safety or building code inspections did not issue a violation report for any building or low-income unit in the project. If a violation report or notice was issued by the governmental unit, the owner must attach a statement summarizing the violation report or notice or a copy of the violation report or notice to the annual certification submitted to the Corporation under paragraph (c)(1) of the Compliance Regulations. In addition, the owner must state whether the violation was corrected;
- (vii) there was no change in the eligible basis (as defined in §42(d)) of any building in the project, or if there was a change, the nature of the change (e.g., a common area has become commercial space or a fee is now charged for a tenant facility formerly provided without charge);
- (viii) all tenant facilities included in the eligible basis under §42(d) of any building in the project, such as swimming pools, other recreational facilities, and parking areas, were provided on a comparable basis without charge to all tenants in the building;
- (ix) if a low-income unit in the project became vacant during the year, that reasonable attempts were or are being made to rent that unit or the next available unit of comparable or smaller size to tenants having a qualifying income before any units in the project were or will be rented to tenants not having a qualifying income;
- (x) if the income of tenants of a low-income unit in the project increased above the limit allowed in §42(g)(2)(D)(ii), the next available unit of comparable or smaller size in the project was or will be rented to tenants having a qualifying income; and
- (xi) an extended low-income housing commitment as described in section 42(h)(6) of the Code was in effect (for buildings subject to section 7108(c)(1) of the Omnibus Budget Reconciliation Act of 1989, 103 Stat. 2106, 2308 - 2311 (1989)), including the requirement under section 42(h)(6)(B)(iv) that an owner cannot refuse to lease a unit in the project to an applicant because the applicant holds a voucher or certificate of eligibility under section 8 of the United States Housing Act of 1937, 42 U.S.C. 1437f (for buildings subject to section 13142(b)(4) of the Omnibus Budget Reconciliation Act of 1993, 107 Stat 312, 438 - 439 (1993)); and
- (xii) all low-income units in the project were used on a non-transient basis (except for transitional housing for the homeless provided under section 42(i)(3)(B)(iii) or single-room-occupancy units rented on a month-by-month basis under section 42(i)(3)(B)(iv)).

### **XIII**

WHEREAS, pursuant to the Review provisions of §1.42-5(c)(2), the Corporation must:

- (i) review owner certifications under Section 1.45-5(c)(1) for compliance with the requirements of Section 42,
- (ii) conduct on-site inspections of all buildings in the project by the end of the second calendar year following the year the last building in the project is placed in service and, for a least 20 percent of the project's low-income units, inspect the units and review the low-income certifications, the documentation supporting the certifications, and the rent records for the tenants in those units; and
- (iii) at least once every 3 years, conduct on-site inspections of all buildings in the project and, for at least 20 percent of the project's low-income units, inspect the units and review the low-income certifications, and then the documentation supporting the certifications, and the rent records for the tenants in those units; and
- (iv) require that the Corporation randomly select which low-income units and tenant records are to be inspected and reviewed by the LHC or the Corporation. *[The review of tenant records may be undertaken wherever the owner maintains or stores the records (either on-site or off-site). The units and tenant records to be inspected and reviewed must be chosen in a manner that will not give owners of low-income housing projects advance notice that a unit and tenant records for a particular year will or will not be inspected and reviewed. However, the Corporation may give an owner reasonable notice that an inspection of the building and low-income units or tenant record review will occur so that the owner may notify tenants of the inspection or assemble tenant records for review (for example, 30 days' notice of inspection or review).]*

#### XIV

WHEREAS, pursuant to the Frequency and Form of Certification provisions of §1.42-5(c)(3), the Corporation must require that Owners submit certifications under penalty of perjury at least annually covering each year of the 15-year compliance period under §42(i)(1); and

#### XV

WHEREAS, pursuant to the Inspection provisions of §1.45-5(d), the Corporation must have the right to perform an on-site inspection of any low-income housing project at least through the end of the compliance period of the buildings in the project, which inspection is a separate requirement from any tenant file review under paragraph (c)(2)(ii) of the Compliance Regulations; and

#### XVI

WHEREAS, pursuant to the Notification of Non-Compliance provisions of 1.42-5(e)(2) and (3), the Corporation agrees to give notice to the Owner and to the IRS, respectively, if the Corporation (i) does not receive required certifications of the Owner, (ii) does not receive or is not permitted to inspect the tenant income certifications, supporting documentation, and rent records or (iii) discovers by inspection, review, or in some other manner, that the project is not in compliance with the provisions of §42; and

#### XVII

WHEREAS, pursuant to the provisions of §1.45-5(e)(4), relating to the correction period, the Owner will be permitted by the Corporation to supply any missing certifications and bring the project into compliance with the provisions of §42 within a period which ends not later than 90 days from the date the Corporation mails a Notice of Non-Compliance to the Owner; and

### **XVIII**

WHEREAS, pursuant to the provisions of §1.45-5(g), the Owner acknowledges that compliance with the requirements of §42 is the responsibility of the Owner and that the LHC or the Corporation's obligation to monitor for non-compliance pursuant to §42 and the Compliance Regulations does not make the Corporation liable for the Owner's non-compliance.

### **XIX**

WHEREAS, this Compliance Monitoring Agreement is intended to comply with the requirements of §42(m)(1)(B)(iii) and the Compliance Regulations with respect to the procedures which the Corporation (or an agent or other private contractor of the LHC or the Corporation) will follow in monitoring for non-compliance and in notifying the IRS of such non-compliance of which the Corporation becomes aware;

NOW, THEREFORE, the Louisiana Housing Corporation, acting through its duly authorized officers, and the undersigned Owner hereby agree, covenant and represent as follows:

SECTION 1. Record-keeping by the Owner. The Owner agrees to develop and maintain, securely onsite, for each qualified low-income building for each year of the compliance period for such buildings or project described in **Exhibit A** the records and information which the Corporation must require the Owner to keep as described in paragraph X of the preamble hereof and as required pursuant to §1.42-5(b)(1) of the Compliance Regulations.

SECTION 2. Record Retention by the Owner. The Owner agrees to maintain and retain the records and information described in paragraph X of the preamble hereof for the time described in paragraph XI of the preamble hereof and for the time which the Corporation must require the Owner to maintain and retain such records and information pursuant to §1.42-5(b)(2) of the Compliance Regulations.

SECTION 3. Certifications by the Owner. The Owner agrees to submit by February 15th of each calendar year the certifications of the form attached hereto as **Exhibit B** with respect to the immediately preceding calendar year which the Corporation must require from the Owner as

described in paragraph XII of the preamble hereof and as required pursuant to §1.42-5(c)(1) of the Compliance Regulations.

SECTION 4. Submission of Low-Income Tenant Annual Income Certification Documentation and Rent Records. The Owner agrees to submit (i) by February 15th of each calendar year on the form attached hereto as **Exhibit C** information on tenant income and rent for each low income unit and (ii) within fifteen (15) calendar days of a written request of the Corporation (a) a copy of the annual income certifications, and the documentation the owner has received to support that certification, with respect to the number and/or percentage of low-income tenants and (b) the rent record for each low-income tenant in the percentage (not less than 20%) of low-income units in the project described in **Exhibit A** as specified by the Corporation.

SECTION 5. Project Inspection. The Owner agrees, acknowledges and specifically provides that the Corporation has the right to perform an on-site inspection of the project described in **Exhibit A** at least through the end of the latter of the compliance period or extended use period. The Corporation has the right to inspect a project at any time as it deems necessary.

SECTION 6. Delivery of IRS Forms. The Owner agrees to provide to the Corporation the following:

- (a) Copy of IRS Form 8609 for each qualified low-income building;
- (b) Copy of Schedule A to Form 8609 for each qualified low-income building;
- (c) Copy of IRS Form 8586.

SECTION 7. Annual Compliance/Monitoring Fee. The Owner agrees to submit on or before December 31 of each year, beginning with the year any building in the Project is placed in service, the Annual Compliance Monitoring Fee constituting a minimum fee to be computed as follows:

<u>Project Size</u>	<u>Minimum Fee</u>
1-4 units	\$ 20.00
5-16 units	80.00

Over 100 units	*

\*Minimum fee is amount equal to 50% of units in Project times \$10.00.

The Corporation reserves the right to charge such additional amounts at any time as may be required to monitor compliance in accordance with the Internal Revenue Code of 1986, as amended, and regulations promulgated pursuant thereto.

The Owner further acknowledges and agrees that failure to submit the Annual Compliance/Monitoring Fee will result in the Corporation reporting that the Owner has failed to deliver the appropriate certifications and/or other documentation necessary to satisfy the Compliance Regulations.

SECTION 8. Captions. The captions or headings in this Compliance Monitoring Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Compliance Monitoring Agreement.

SECTION 9. Counterparts. This Compliance Monitoring Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 10. Acceptance by Owner. The undersigned Owner hereby acknowledges receipt of an executed counterpart of this Compliance Monitoring Agreement and hereby approves the terms and provisions thereof and agrees to be bound by all the provisions thereof applicable to Owner.

SECTION 11. Notification Provision. The Owner is solely held responsible in notifying the Corporation of any type of adverse action to the project that may arise. In case of natural disaster and/or man made occurrence immediate notification is to be made by certified mail with a reasonable time period (after verbal notification by phone). In the case of a sale, transfer, assumption, dation en payment or any other legal notification to include but, not limited to foreclosure notice, notice of default, notice of condemnation or lis pendens concerning the project, individual or corporate ownership interest of project, and/ or stockholder interests. The Corporation must be notified via certified mail within 48 hours of the developer receiving notices.

The Corporation must approve any and all types of changes to ownership including sales, transfers, assumptions or assignments thereof. Documents being sent to the Corporation for approval & review concerning sales, transfers and/or assumptions or assignments will be submitted 45 days prior to closing and/or transfer dates. Failure to follow this process will lead to the issuance of an 8823.

### Project Delays:

Project has wetlands issues causing delays. Working with Corp. Of Engineers to resolve issue.

A portion of the wetlands will be impacted; thus, the site was redesigned to minimize the impact. Closing is forecasted for mid-summer; developer is currently going through the parish subdivision approval. The impact on the affected area of the wetlands will be mitigated as much as possible. Otherwise, everything is processing smoothly.

Project awarded in November 2012. Developer expects to close Mid-October 2013. Confirmation pending regarding further progress.

The environmental consultants have a completion date of April 11, 2013 when they will be finished with the developer's paper work. He will have to submit that information to the corporation for review, if all checklist and supporting documentation is correct, we then can move forward. It will be a 30-60 day process before LHC receives clearance from HUD to release funds.

The environmental was completed by the Gill Group and will be submitted to the Corporation within the week.

### Project Delays:

The project has not closed yet and we are still anticipating a fall 2013 closing date. We will be submitting a reprocessing application. The reason for this was the original design and development of Pecan Villa was not the best and the project is nowhere near ADA compliant. Our intention is to take the project down to slab and then rebuild. This will give us the opportunity to make the project ADA compliant and accessible and also we will be able to increase the size of the units from the existing 483 sq ft to 540 sq ft. We have had this priced out by a general contract and we remain in budget from our initial application. At the end of the day we feel taking this approach is best for all parties involved especially the residents.
