Millennium Studios Apartments Phase III will offer numerous amenities and services to its residents and will also provide a host of "green" features to further reduce costs to its tenants. Some of these amenities will include the following: Units will offer high efficiency HVAC, water saving features, Energy Star rated windows and appliances and light fixtures, ceiling fans, high rated wall and attic insulation, wood-plank vinyl flooring throughout and solid wood cabinetry with solid surface counter tops. Site amenities will include on-site laundry facilities, adequate parking, ample green space with improved landscape, sidewalks, sitting areas throughout, dog park, swimming pool, playscape, a community room/clubhouse, state of the art fitness center, tenant supportive services, computer/business center with free Wi-Fi and printers.

The master developer will be ITEX Development, LLC.

Millennium Studios Apartments III received a Choice Neighborhood Implementation Grant in July of 2018, and will be the 5th phase of the overall Choice Neighborhood development in Shreveport. Due to the addition of the Choice Grant funds, the project's costs have increased to accommodate additional site improvements and increased property amenities, higher end residential unit and common area finishes and green build features consistent with a Choice Neighborhood development, which are typically above and beyond a standard LIHTC development.
