Narrative

Grove Place will be situated on the square city block at the corner of Earhart in Monroe Street. The proposed development has a total of 32 residential units in the development. The development will include 23 historic rehabilitated units and 9 newly constructed units in a new building. It is proposed that all units will share a community green space that will open at the rear of each unit. Off-street parking will also be provided. Grove Place LLC has been conditionally awarded the \$3M in Home Funds from the City of New Orleans. This project also aligns with the city's Place Based Strategy as outlined by the City of New Orleans 2017-2021 Consolidated Plan. State and Federal Historic tax credit incentive will also be utilized and the project has already received Part 1 approvals. The objective is to create a high-quality neighborhood housing community that will enhance and improve the housing stock in Hollygrove by redeveloping this block which has been vacant before Katrina. We believe that this development will encourage and spark new interest to other developers, which will only enhance and increase the quality of life for this community that has long been overlooked.
