Mayor Kerner read your letter dated March 12, 2013. He feels that the Town of Jean Lafitte, Barataria and Crown Point has suffered tremendous devastation and is in dire need of assistance. Due to the elimination of the grandfather clause many residents are now required to pay higher insurance rates. The devastation that the past hurricanes has caused families to become homeless. We have resident that can no longer afford the insurance, residents that cannot afford to repair or elevate their home and will probably become homeless in the near future. Our area is in desperate needs of funds for elevation and demolition and rebuilding their homes. There is also a great need for assistance in refurbishing homes. All of the things mentioned is a large need for this area. Thank you.
