Date: July 29, 2010

Re: Energy Assistance Program Committee

There will be an Energy Assistance Program Committee meeting, Wednesday, August 11, 2010 at 9:00 a.m. at Louisiana Housing Finance Agency, Committee Room 1, located at 2415 Quail Drive, Baton Rouge, LA.

The following topics will be discussed:

- Energy Programs Activity Summary
- LACAP Louisiana WAP Max Report

If you have any questions or concerns, please contact me.

July 29, 2010

ENERGY ASSISTANCE COMMITTEE MEETING

Notice is hereby given of a regular meeting of the Energy Assistance Committee to be held on Wednesday, **August 11, 2010 at 9:00 AM**, Louisiana Housing Finance Agency, **Committee Room 1**, 2415 Quail Drive, Baton Rouge, LA by order of the Chairman.

AGENDA

1. Call to order, roll call, and introduction of guests.
2. Approval of minutes from the July 14, 2010 Committee Meeting.
3. Energy Programs **Activity Summary**.
4. **LACAP** Monthly Report for Louisiana **WAP Max**.
5. Other Business
6. Adjournment

Milton J. Bailey, LHFA President

**If you require special services or accommodations, please contact Barry E. Brooks
(225) 763-8773 or via email bbrooks@lhfa.state.la.us**

Pursuant to the provisions of LSA-R.S. 42:6.1, upon two-thirds vote of the members present, the Board of Commissioners of the Louisiana Housing Finance Agency may choose to enter Executive Session, and by this notice, the Agency reserves its right to go into Executive Session as provided by law.

Louisiana Housing Finance Agency
Energy Assistance Committee Meeting
Wednesday, July 14, 2010
2415 Quail Drive
Committee Room 1
Baton Rouge, LA 70808

Commissioners Present

Darleen Okammor
Alesia Wilkins-Braxton
Loretta Wallace
Carolyn McQuairter
Bridget McGee
James Droddy
Robyn Meschke
Keith Cunningham
Rene Landry
Angela King

Others Present

See attached sign-in sheet

Commissioner Katie Anderson called the meeting to order at 9:07 a.m. The roll was called and the introduction of guests and staff followed. The minutes of the June 9, 2010 meeting were approved on a motion by Commissioner Foster, and seconded by Commissioner Young.

Updates: Darleen Okammor, Energy Assistance Program Manager, reported that on June 29, 2010, the annual 2010 WAP Grant Award was approved for the period of July 1, 2010 through June 30, 2011. The regular WAP Program ended on June 30, 2010. The quarterly program expenditure totals will be reconciled in 30 days. The Department of Energy final closeout reports are due September 30, 2010.

Ms. Okammor briefly discussed the Home Star Energy Retrofit Act of 2010; there has not been any new development on the legislation. In May, it was referred to the Senate Committee, and then referred to the Committee on Finance, but there has not been any further action.

Regarding the Low Income Home Energy Assistance Program (LIHEAP), The State Plan must be submitted by September 1, 2010. On June 8, 2010, DHHS released an Action Transmittal to provide a format for States to submit a supplemental; it is called the "LIHEAP Program Integrity Assessment Plan", along with the FY 2011 LIHEAP State Plan. It will address key elements, like (1) Prevention – Steps the State will take to ensure LIHEAP payments are made on behalf of eligible households only to eligible vendors; (2) Detection – Planned strategies for monitoring payments to identify improper payments, errors or fraudulent activity; (3) Correction – Executing immediate actions, if program integrity has been compromised; and (4) Prosecution – Reporting of abuses to appropriate law enforcement officials.

Ms. Okammor also mentioned the legislative concerns in regard to the funding for FY 2010; Congress House Appropriations Committee is expected to mark-up the appropriation bills later this month. The LIHEAP advocates are hopeful the initial House mark will represent the highest level of funding for the program or maintain the \$5.1 billion dollars for the current program.

Also under the LIHEAP Program, the Agency is considering developing an initiative to assist those affected by the deepwater horizon oil spill, but those details are still being developed. The Agency has \$500,000.00 available in resources identified to develop an initiative to implement a Gulf Coast Energy Crisis Assistance Program.

Ms. Okammor briefly discussed some of the program statistics regarding the Weatherization Program. The Program ended on June 30, 2010 with 400 units weatherized. This included 72% of the funds expended.

This concluded Ms. Okammor's report.

LACAP Monthly Report: Jon Phelps, Energy Director briefly read through the monthly report for May 2010, which was included in the Committees' binders. He stated that all desk reviews have been completed as required by their contract expectations, followed by a brief update of the status and/or shortages of those agencies that did not meet their projections.

Update on LACAP Audit: Rene Landry, Chief Financial Officer, noted that although the audit was due, an extension has been requested. This will be finalized officially, which is generally a formality of the Louisiana Legislative Auditor's panels meeting. There were some findings noted in the report; this is only a result of LACAP's growing pains. They started out small and had to gear up quickly. Also mentioned were improvements of system and documentation. So with those findings there is a corrective action plan that has been laid out and management has responded. At this point, immediate action was not necessary.

Commissioner Anderson opened the floor to entertain questions and/or comments. There being no other business to discuss, Commissioner Anderson adjourned the meeting at 9:32 a.m.

MONTHLY REPORT TO
LOUISIANA HOUSING FINANCE AGENCY (LHFA)
FROM
LOUISIANA ASSOCIATION OF COMMUNITY ACTION PARTNERSHIPS (LACAP)
IN ACCORDANCE WITH CONTRACT FOR PROFESSIONAL SERVICES
FOR THE ARRA WAP MAX
ADMINISTRATION REQUIREMENTS: EXPECTATION NUMBER 19
August, 2010

Expectation Number 19: In accordance with the provisions of the contract under Article 4, Statement of Work, Expectation Number 19 which states that “Contractor shall present an in-person monthly overview of the progress of the administration and production of the Louisiana WAP MAX Plan to the Energy Assistance Committee of the Board of Commissioners each month. We have submitted the written report to LHFA on July 28, 2010.

Monthly Desk Reviews

Expectation Number 5: Contractor shall conduct monthly desk reviews of the Subgrantees using information in the HES database and reports, as requested by Contractor, of Subgrantees. Protocol for monitoring must be agreed upon by LHFA and Contractor. LACAP conducted a desk review for the month of June, 2010, for all Subgrantees.

One Month Failure to Produce

Expectation Number 6: For the month of June, 2010, there were two agencies that fell into this category, Lafourche & Terrebonne. A letter was sent to the agencies by LACAP.

Two Month Failure to Produce

Expectation Number 7: For the month of June, 2010, no agency fell into this category.

Four Month Failure to Produce or Failure to Meet 90% by Month 5 or Month 9

Expectation Number 8: For the month of June, 2010, no agency fell into the four month category. Two agencies, Lafourche & Terrebonne, did not meet 90% production by the end of the ninth month.

See attached table for Subgrantee ARRA Production.

Expectation Number 14: In accordance with the provisions of the contract under Article 4, Statement of Work, Expectation Number 3 which states that “Contractor shall fully execute the training and technical assistance activities included in the state plan.... Contractor shall document all training by subgrantee, by individual trained, by training course and by certificate/ diploma. Contractor shall seek to maintain 60% attendance rates for the classes submitted in the submitted training schedule...”

<u>COURSE:</u>	<u>DATE:</u>	<u>HOURS:</u>	<u>TRAINEES/ CERTIFICATIONS:</u>	<u>COURSE DESCRIPTION:</u>
Basic Weatherization	6/1/10-6/3/10 6/22/10-6/24/10	24	11/11 5/5	Comprehensive introduction to the principles of energy and the whole-house approach, as well as their application to weatherization services in Louisiana.
Youthbuild Basic	6/14/10	8	12/12	Introduction to the principles of energy and the whole-house approach, as well as their application to weatherization services in Louisiana.

CAZ	6/22/10-6/23/10 6/24/10-6/25/10	16	13/13 8/8	This course covers the testing and documentation of combustion appliance zone (CAZ) depressurization tests. The training consists of classroom instruction and field demonstrations, with the focus on both new and retrofit systems. Field training will demonstrate the testing protocols and allow participants to engage in proper use of the equipment while focusing on pre and post safety inspection and gas leak detection relevant to all combustion appliances. Participants will receive an advanced understanding of air leakage and air pressure dynamics, combustion appliance zone (CAZ) depressurization tests, calculation minimum ventilation levels, and proper reporting requirements.”
HVAC	6/9/10-6/11/10	24	13/13	Covers the wide range of appliances, diagnostic techniques, and weatherization measures involved in home heating, venting, and cooling. Special attention will be paid to DOE WPNs and Louisiana-specific HVAC considerations, such as cooling and sun control.
Health & Safety	6/15/10-	16	11/11	Covers health and safety concerns to the weatherization worker and to the home occupant in Louisiana, including

	6/16/10 6/17/10- 6/18/10		8/8	how to address them in the field.
Infrared Camera	6/8/10-6/9/10	16	12/12	In this very active two day training session participant will engage in understanding InfraRed theory with practical hands on activities to understand the use of any InfraRed camera for home/building energy inspections. Field visits to a home help solidify participant's understanding of thermal images and how the integration of other technologies such as the Blower Door,Moisture Meters and Video Borescopes can enhance the understanding and intpretation of thermographic documentation.
NEAT/MHEA	6/28/10- 6/30/10	24	8/8	An introduction to the energy audit software NEAT/MHEA.
HES WAP New Hire	6/23/10	8	2/2	In this course, new hires will be given a basic understanding of the HES WAP system with Q & A sessions with LACAP staff, practical hands on activities and detailed demonstrations of modules. Taught by Brooke Barnette.
EPA	6/3/10	8	6/6	This course will show participants how to perform their work in a manner that creates the least amount of dust possible, and how to contain and clean up dust that they do

				<p>create so that it does not spread throughout the house or to neighboring properties.</p> <p>Upon completion of this course, participants will be able to perform Weatherization in a manner that minimizes creation and dispersal of lead contaminated dust and protects residents, especially children, from possible lead exposure.</p>
--	--	--	--	--

Expectation Number 18: Contractor shall provide a monthly inventory list of all vehicles, tools and equipment purchased with ARRA funds (10 CFR 440.18, WPN 09-1B) Contractor shall obtain all prior approvals as necessary for equipment purchases in compliance with DOE and State rules and regulations. Also see attached.

Submitted By: Jon Phelps, Energy Director, LACAP
