Subject: Louisiana Housing Corporation Invites You to Meet Its New Board of Directors on May 11

The Louisiana Housing Corporation (LHC) is hosting an informal meeting on **Wednesday, May 11, 2016 at 1:00 p.m.** for our stakeholders to visit with our newly appointed board of directors. The Meet and Greet will take place shortly following the conclusion of the regular board of directors meeting which begins at 10:00 a.m.

We are pleased to provide this opportunity to introduce members of the board to the customers we serve. The LHC will also use this opportunity to elicit feedback on the state's forward allocating 2017 Qualified Allocation Plan (QAP) prior to the issuance of the draft QAP.

Our mission is to ensure that every Louisiana resident is granted an opportunity to obtain safe, affordable, energy efficient housing. One way we accomplish this mission is by issuing Low Income Housing Tax Credits to developers who may otherwise find affordable housing developments cost-prohibitive. The QAP provides the framework for how we award these tax credits each year.

The LHC will schedule an official public hearing to officially receive comments for the QAP at a later date, and written comments can be emailed to gapcomments@lhc.la.gov. In the meantime, please mark your calendars with the details below, and we sincerely hope you will be able to join us on May 11th.
