INDEPENDENT AUDITOR'S REPORT

September 16, 2019

Louisiana Housing Corporation
Mid-City Gardens Apartments
Baton Rouge, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of Mid-City Gardens Apartments, as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise Mid-City Gardens Apartments' basic financial statements as listed in the index to report.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Certified Public Accountants
Society of LA CPAs

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Mid-City Gardens Apartments as of June 30, 2019, and the respective changes in financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, these financial statements include only the activities of Mid-City Gardens Apartments and are not intended to present fairly the combined financial position, combined results of operations or combined cash flows of the Louisiana Housing Corporation in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, as listed in the index to report, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 16, 2019, on our consideration of Mid-City Gardens Apartments' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Mid-City Gardens Apartments' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Mid-City Gardens Apartments' internal control over financial reporting and compliance.

MID-CITY GARDENS APARTMENTS
MANAGEMENT'S DISCUSSION AND ANALYSIS
AS OF AND FOR THE YEAR ENDED JUNE 30, 2019

The Management's Discussion and Analysis of Mid-City Gardens Apartments' (the Complex) financial performance presents a narrative overview and analysis of the Complex's financial activities for the year ended June 30, 2019. This document focuses on the current year's activities, resulting changes, and currently known facts in comparison with the prior year's information. Please read this document in conjunction with the Complex's financial statements.

FINANCIAL HIGHLIGHTS

- The Complex's net position was \$10,984,917 at June 30, 2019, which represents a 4% decrease from last fiscal year. The largest portion of the net position was \$10,937,537 and reflects the Complex's net investment in capital assets (building, furniture, and equipment). The Complex uses these capital assets to provide services to tenants.
- The Complex's total revenues increased by \$37,693, or 8%, total expenses increased by \$14,674, or 1%.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the Complex's basic financial statements. These financial statements consist of two sections - Management's Discussion and Analysis (this section) and basic financial statements (including the notes to the financial statements).

Basic Financial Statements

The basic financial statements present information for the Complex as a whole, in a format designed to make the statements easier for the reader to understand. The statements in this section include the Statement of Net Position; the Statement of Revenues, Expenses and Changes in Net Position; and the Statement of Cash Flows.

The Statement of Net Position presents the assets and liabilities separately. The difference between total assets and total liabilities is net position and may provide a useful indicator of whether the financial position of the Complex is improving or deteriorating.

The Statement of Revenues, Expenses and Changes in Net Position presents information showing how the Complex's net position changed as a result of current year operations. Regardless of when cash is affected, all changes in net position are reported when the underlying transactions occur. As a result, there are transactions included that will not affect cash until future fiscal periods.

The Statement of Cash Flows presents information showing how the Complex's cash changed as a result of current year operations. The cash flow statement is prepared using the direct method and includes the reconciliation of operating income (loss) to net cash provided (used) by operating activities (indirect method) as required by Government Accounting Standards.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

Monthly occupancy levels have decreased over the audited period year ended June 30, 2019, to 92% by the end of the fiscal year. With rental rates being generally aligned with market rates, the management company has made significant improvements in achieving and maintaining current occupancy levels. While management is working towards improving the results from operations, for the Corporation's operating budget for the fiscal year ending June 30, 2019, no "distributions to owner" amounts were included for the Complex.

MID-CITY GARDENS APARTMENTS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NATURE OF ORGANIZATION AND OPERATIONS:

Mid-City Gardens Apartments (the Complex) is a 60-unit apartment complex in East Baton Rouge Parish, Louisiana. The Louisiana Housing Corporation (LHC) acquired the property in 2010 through the foreclosure of a HOME project which LHC funded. The Complex was named Capital City South Apartments at that time. LHC obtained NSP funding through an agreement with the Office of Community Development to rebuild and rename the Complex to Mid-City Gardens. In addition, LHC used approximately \$600,000 of HOME funds for the rebuild initiative. The Complex accepts rent certificates administered by the local housing authority.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Reporting Entity:

Since the Complex is owned by the Louisiana Housing Corporation, an instrumentality of the State of Louisiana, the financial statements of the Complex have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

The accompanying financial statements present only the transactions of the Complex and do not present any of the assets, liabilities and operations of the Louisiana Housing Corporation.

Basis of Accounting:

The Complex is considered a proprietary fund and is presented as a business-type activity. Proprietary fund types are used to account for activities that are similar to those found in the private sector where the determination of operating income and changes in net position is necessary or useful for sound financial administration. The GAAP used for proprietary funds are generally those applicable to similar businesses in the private sector (accrual basis accounting).

Proprietary funds are accounted for using the “economic resources” measurement focus and the accrual basis of accounting. Accordingly, all assets, deferred outflows of resources, liabilities (whether current or noncurrent), and deferred inflows of resources are included on the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Net Position present increases (revenues) and decreases (expenses) in total net position. Under the accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred, regardless of the timing of related cash flows.

MID-CITY GARDENS APARTMENTS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Basis of Accounting: (Continued)

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and delivering goods in connection with a proprietary fund's ongoing operations. Operating expenses are those expenses that are essential to the primary operations of the fund. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses. When both restricted and unrestricted resources are available for use, it is the Complex's policy to use restricted resources first, then unrestricted resources as they are needed.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from these estimates.

Cash and Cash Equivalents:

The Complex's cash and cash equivalents include all highly liquid deposits and debt instruments acquired with original maturities of three months or less. The tenant security deposits have use restrictions and are not considered cash equivalents.

Tenant Receivables:

An allowance for uncollectible accounts is established based on prior experience and management's assessment for the collectability of those accounts. Accounts are considered past due on a contractual term. Management charges late fees on past due accounts but not interest. As of June 30, 2019, there was no allowance for doubtful accounts.

Tenant Security Deposits:

Regulations of LHC require that security deposits be segregated from the general funds of the Complex. Accordingly, the Complex holds all security deposit funds in a separate, interest-bearing account. As of June 30, 2019, the tenant security deposit liability was less than the restricted cash for tenant security deposits by \$150.

MID-CITY GARDENS APARTMENTS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Capital Assets:

Capital assets are carried at cost less accumulated depreciation. The Complex capitalizes all property and equipment with initial, individual costs greater than \$2,500. The cost of maintenance and repairs is charged to expense as incurred; significant repairs and betterments are capitalized. Depreciation is computed on the straight-line method over the following estimated useful lives:

Buildings	30 years
Furniture and equipment	7 years

Net Position:

In the Statement of Net Position, the difference between the Complex's assets and deferred outflows of resources and liabilities and deferred inflows of resources is recorded as net position. The three components of net position are as follows:

Net investment in capital assets - The category records capital assets net of accumulated depreciation and reduced by any outstanding balances of bonds, mortgages, notes or other borrowings attributable to the acquisition, construction or improvement of capital assets.

Restricted net position - Net positions that are restricted by external sources such as creditors, grantors, contributors, or by law are reported separately as restricted net position.

Unrestricted net position - Net positions that do not meet the definition of "restricted" or "net investment in capital assets."

Deferred Inflows of Resources:

In addition to liabilities, the Statement of Net Position reports a separate section for deferred inflows of resources that represents an acquisition of net position that applies to future period(s) and will not be recognized as an inflow of resources (revenue) until that time. The Complex has one item that meets the criterion for this category, related to advanced rent.

Rental Income:

The Complex receives rental income from units which are reserved for people with low and moderate incomes. Rental income is recognized as the rents are earned. Rental payments received in advance are reported as deferred inflows of resources.

MID-CITY GARDENS APARTMENTS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Rental Income: (Continued)

All leases between the Complex and its tenants are operating leases. Contract rent increases are prohibited without the approval of the LHC Board of Directors. The Complex derives substantially all of its revenues from its rental activities in Baton Rouge, Louisiana.

Tenant Charges:

Tenant charges are recognized as earned and consist of charges to tenants for gate access cards, late fees, NSF fees, cleaning fees, laundry income, and vending income.

Advertising:

The Complex expenses advertising costs as they are incurred. Advertising expense for the year ended June 30, 2019, was \$2,500.

2. CASH AND CASH EQUIVALENTS:

At June 30, 2019, the Complex had cash and cash equivalents (book balances) which were demand deposits at a local financial institution.

The deposit accounts are subject to custodial credit risk; that is, in the event of a bank failure, the funds may not be returned. To mitigate this risk, state law requires deposits to be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The fair value of the pledged securities plus the federal deposit insurance must at all times be greater than or equal to the amount on deposit with the fiscal agent. At June 30, 2019, the Complex's demand deposit bank balances totaling \$69,549 were fully covered by FDIC insurance.

3. CAPITAL ASSETS:

Following is a summary of the changes in capital assets for the year ended June 30, 2019:

	Balance <u>June 30, 2018</u>	Additions	Disposals	Balance <u>June 30, 2019</u>

Depreciation expense for the year ended June 30, 2019, was \$504,064.

MID-CITY GARDENS APARTMENTS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

4. MANAGEMENT FEES:

During the year ended June 30, 2016, the Complex entered into a management agreement with Latter and Blum Property Management, Inc. (LBPMI) to conduct services in connection with the leasing, management and operation of the apartment complex. In exchange, the Complex shall pay LBPMI a monthly management fee equal to the greater of 5.5% of gross receipts collected or \$1,800 per month (\$30 per month per unit). The term of the agreement is for the period October 1, 2015 through June 30, 2018. An amendment was agreed to between the Complex and Latter and Blum Property Management, Inc. extending the original agreement to August 31, 2019. For the year ended June 30, 2019, there was \$26,262 in management fees incurred.

5. CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS:

The Complex's operations are concentrated in the multi-family real estate market. In addition, the Complex operates in a heavily regulated environment. The operations of the Complex are subject to the administrative directives, rules and regulations of federal, state, and local regulatory agencies, including, but not limited to, HUD.

Such administrative directives, rules, and regulations are subject to change by an Act of Congress or an administrative change mandated by or passed through HUD. Such changes may occur with little notice of inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change. Future operations could be affected by changes in economic or other conditions in the geographical area or by changes in federal low-income housing subsidies or the demand for such housing.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

September 16, 2019

To the Board of Directors of
Louisiana Housing Corporation
Mid-City Gardens Apartments
Baton Rouge, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Mid-City Gardens Apartments, as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise Mid-City Gardens Apartments' basic financial statements, and have issued our report thereon dated September 16, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Mid-City Gardens Apartments' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Mid-City Gardens Apartments' internal control. Accordingly, we do not express an opinion on the effectiveness of Mid-City Gardens Apartments' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Mid-City Gardens Apartments' financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we considered to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Mid-City Gardens Apartments' financial statements are free from material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
