Dear Fellow LHC Board of Directors:

After in-depth discussion and collaboration with LHC Interim Executive Director Bradley Sweazy, this is to inform you that we feel it is in the best interest of the LHC that we proceed with executing an Engagement Agreement with the Louisiana Legislative Auditor ("LLA") to request they perform an evaluation of the LHC Operational Policies and Procedures.

The LLA Performance Audit would be conducted in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States.

Once completed, we will receive recommendations for improvements, guidance on areas of the LHC that are under performing, and ways to provide more enhanced, effective, and efficient services to the citizens of Louisiana.

The Engagement Agreement with the LLA for the aforementioned services, will be stipulated with payment thereof not to exceed \$33,000.00.

I thank each of you again your service and commitment, and I am available for any questions regarding this matter.

Respectfully yours,

A handwritten signature in blue ink that reads "AP Marullo".
