RE: Executive Director Endorsement

Dear LHC Board of Directors,

On behalf of the LAAHP Board of Directors, we want to thank the Louisiana Housing Corporation for consistently being open to receiving our input on a variety of industry matters. As you may recall, we were complimentary of the appointment of Marjorianna Willman as the Interim Executive Director of LHC last fall.

LAAHP's membership has witnessed her strong performance in this leadership role since that time and are now prepared to recommend that "Interim" be removed for her title. We believe that Marjorianna has demonstrated the dedication, integrity and technical knowledge to be the ideal long-term leader of LHC.

Thank you for your consideration of these recommendations.

Sincerely,

Meghan Elder
